# Vickers Elite Front Tritium Front Sight for Glock® 42/43 Safety Instructions

## Introduction

Thank you for purchasing the Vickers Elite Front Tritium Front Sight for Glock® 42/43. This product is designed to enhance your shooting experience by providing a snagfree front sight with tritium illumination. Please read this safety instruction guide carefully to ensure safe usage and installation of this product.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your fingers off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight when aiming.
- Store the firearm and accessories securely and out of reach of children.
- Regularly inspect your firearm and sights for wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The Vickers Elite Front Sight is designed for use with Glock® 42 and 43 models only. Do not attempt to use it with other models.
- Ensure the tritium sight is intact and not damaged before installation.
- Avoid exposing the sight to extreme temperatures or harsh chemicals.
- Use appropriate tools and follow installation instructions carefully to avoid injury.
- If you are unsure about installation or use, consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Necessary Tools:** You will need a sight pusher tool or appropriate Allen wrenches for installation.
2. **Ensure Safety:** Verify that the firearm is unloaded and pointed in a safe direction.
3. **Remove Old Sight:** Use the sight pusher tool to carefully remove the existing front sight from the Glock® 42/43.
4. **Install New Sight:** Align the Vickers Elite Front Sight with the mounting slot on the slide of the firearm.
5. **Secure the Sight:** Use the sight pusher tool to press the new sight into place. Ensure it is firmly seated.
6. **Check Alignment:** After installation, check the alignment of the sight with the rear sight to ensure proper aim.
7. **Test Functionality:** Before using the firearm, test the sight in a safe environment to ensure it functions correctly.

### Usage Instructions

- When aiming, ensure the front sight is aligned with the rear sight and the target.
- Use the tritium illumination in lowlight conditions to enhance visibility.
- Regularly practice with your firearm to maintain proficiency and ensure proper sight usage.

## **Disposal Instructions**

- Dispose of any damaged or broken sights in accordance with local regulations.
- Do not dispose of the sight in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any further inquiries or support regarding the Vickers Elite Front Tritium Front Sight, please refer to the manufacturer's customer service resources or consult a qualified gunsmith.

Thank you for prioritizing safety while using your Vickers Elite Front Sight. Enjoy your enhanced shooting experience!
