# RECOIL SPRING 5" FULL SIZE WILSON COMBAT RECOIL SPRING USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RECOIL SPRING 5" FULL SIZE WILSON COMBAT RECOIL SPRING. This product is designed for use in fullsize 5" .45 ACP firearms, specifically for shooting 185 gr. / 200 gr. standard pressure target or JHP selfdefense ammunition. This guide provides essential safety instructions to ensure safe and effective use of the recoil spring while complying with EU General Product Safety Regulations (GPSR).

## General Safety Guidelines

- Ensure the recoil spring is compatible with your firearm model (1911 Government).
- Always handle firearms safely and responsibly.
- Keep the recoil spring out of reach of children and vulnerable individuals.
- Regularly inspect the recoil spring for wear or damage before each use.
- Store the recoil spring in a cool, dry place away from direct sunlight.
- If you suspect the recoil spring is defective or unsafe, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your firearm.
- Ensure the firearm is unloaded before installing or replacing the recoil spring.
- Follow the manufacturer's guidelines for ammunition specifications to avoid malfunctions.
- Do not attempt to modify or alter the recoil spring or firearm.
- Be aware of the potential for increased recoil and adjust your grip and stance accordingly.
- If you experience any unusual behavior from your firearm while using this recoil spring, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Gather necessary tools (if applicable) for installation.

### 2. Installation:

- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Carefully remove the old recoil spring and guide rod.
- Install the new recoil spring by aligning it with the guide rod and carefully placing it back into the slide.
- Ensure the recoil spring is seated properly and securely.

### 3. Reassembly:

- Reattach the slide to the frame of the firearm following the manufacturer's guidelines.
- Conduct a function check to ensure the firearm operates correctly.

### 4. Usage:

- Load the firearm with appropriate ammunition and ensure it is ready for use.
- Maintain proper shooting stance and grip to manage recoil effectively.

- After firing, inspect the recoil spring for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- Do not dispose of the recoil spring in regular household waste to prevent environmental harm.
- If the recoil spring is damaged or no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the RECOIL SPRING 5" FULL SIZE WILSON COMBAT RECOIL SPRING, please refer to the manufacturer's contact details or visit the official website for more information.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your RECOIL SPRING 5" FULL SIZE WILSON COMBAT RECOIL SPRING. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety and satisfaction are our top priorities. Thank you for your attention to these important safety guidelines.
