# SILICON CLEANING CLOTH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Wilson Combat Silicon Cleaning Cloth. This product is designed to help you maintain your firearms by effectively removing rustproducing fingerprints and other contaminants. Please read this safety instruction guide carefully to ensure safe and effective use of the cleaning cloth.

## General Safety Guidelines

- Always use the cleaning cloth in a wellventilated area.
- Keep the cloth away from children and pets to prevent accidental ingestion or misuse.
- Avoid using the cloth on hot surfaces or while handling firearms that are loaded.
- Do not use the cloth for any purpose other than its intended use, which is cleaning firearms.
- If the cloth becomes damaged or excessively dirty, discontinue use and dispose of it properly.

## Specific Safety Precautions for Use

- Ensure that firearms are unloaded before cleaning.
- Do not apply excessive pressure while using the cloth to avoid damaging the firearm's finish.
- Store the cleaning cloth in a cool, dry place away from direct sunlight and heat sources.
- If you experience any irritation or allergic reaction while using the cloth, discontinue use immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Wilson Combat Silicon Cleaning Cloth.

### 2. Using the Cleaning Cloth:

- Take the silicon cleaning cloth out of its packaging.
- Gently wipe the surface of the firearm with the cloth, focusing on areas with fingerprints or rust.
- Use a clean section of the cloth as needed to avoid spreading dirt and contaminants.

### 3. PostUse Care:

- After cleaning, store the cloth in its original packaging or a suitable container to protect it from dust and dirt.
- Do not wash the cleaning cloth; it is designed for singleuse to maintain its effectiveness.

## Disposal Instructions

- Dispose of the cleaning cloth in accordance with local waste disposal regulations.
- Do not incinerate the cloth, as it may release harmful fumes.
- If the cloth is heavily soiled or damaged, place it in a sealed bag before disposal to prevent contamination.

## Contact Information for Further Support

For any inquiries regarding the safety and use of the Wilson Combat Silicon Cleaning Cloth, please refer to the manufacturer's website or customer service for assistance. Remember to check for any recall updates on the

EU's Safety Gate platform to stay informed about product safety.

Thank you for prioritizing safety while using the Wilson Combat Silicon Cleaning Cloth. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
