# ULTIMALUBE II OIL Safety Instruction Guide

## Introduction

Thank you for choosing ULTIMALUBE II OIL by Wilson Combat. This product is designed to enhance the performance of your firearms while providing optimal lubrication and protection. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of ULTIMALUBE II OIL by following all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Dispose of empty containers and unused product in accordance with local regulations.

## Specific Safety Precautions for Use

- Use in a wellventilated area to avoid inhalation of vapors.
- Avoid using near open flames or sparks, as the product is flammable.
- Do not mix with other lubricants or chemicals unless specified by the manufacturer.
- Always wear protective gloves and eyewear when handling the product.
- Check for any signs of leakage or damage to the container before use.

## Instructions for Installation and Usage

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Application:**
  - Shake the ULTIMALUBE II OIL bottle gently before use.
  - Apply a small amount of oil to the desired areas of your firearm.
  - Use a clean cloth or applicator to spread the oil evenly.
3. **PostApplication:**
  - Allow the oil to penetrate for optimal performance.
  - Wipe off any excess oil to prevent buildup.
4. **Storage:**
  - After use, securely close the bottle cap.
  - Store in an upright position to prevent leakage.

## Disposal Instructions

- Dispose of the product and its container in accordance with local waste disposal regulations.
- Do not dispose of down the drain or in regular household waste.
- Check with local authorities for specific disposal guidelines for hazardous materials.

## Contact Information for Further Support

For any safety inquiries or concerns regarding ULTIMALUBE II OIL, please contact the manufacturer or refer to the product packaging for additional information.

By following these guidelines, you can ensure the safe and effective use of ULTIMALUBE II OIL. Thank you for your attention to safety and for choosing Wilson Combat products.
