ULTIMALUBE II OIL Safety Instruction Guide

Introduction

Thank you for choosing ULTIMALUBE II OIL by Wilson Combat. This product is designed to enhance the performance and longevity of your firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only as directed to avoid injury or damage.
- Keep the product away from heat sources, open flames, and direct sunlight.
- Ensure adequate ventilation when using the product to avoid inhalation of fumes.
- In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical advice immediately.
- Dispose of the product according to local regulations to prevent environmental harm.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before applying the oil.
- Avoid applying excessive amounts of oil; a small amount is usually sufficient for effective lubrication.
- Do not mix with other lubricants or chemicals unless specified by the manufacturer.
- Test the product on a small, inconspicuous area of the firearm before full application to check for compatibility.
- Avoid contact with any surfaces that may be sensitive to oil, such as rubber or certain plastics.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Clean the firearm to remove any dirt or old lubricant.

2. Application:

- Shake the ULTIMALUBE II OIL bottle well before use.
- Apply a small amount of oil to the moving parts of the firearm, focusing on areas that require lubrication.
- Use a clean cloth or applicator to spread the oil evenly.

3. PostApplication:

- Allow the oil to penetrate and settle for a few minutes.
- Wipe off any excess oil to prevent accumulation that could attract dirt.

4. Storage:

- Store the bottle upright in a cool, dry place, away from direct sunlight and heat sources.
- Ensure the cap is tightly closed after each use to prevent leaks.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- Check for local hazardous waste collection programs for proper disposal of chemical products.

Contact Information for Further Support

For any inquiries regarding the safety and use of ULTIMALUBE II OIL, please reach out to your local Wilson Combat dealer or consult the product packaging for more information.

By following these guidelines, you can ensure the safe and effective use of ULTIMALUBE II OIL, enhancing the performance of your firearms while maintaining safety standards. Thank you for your attention and safe handling!
