

# 1911 FULL-LENGTH FLAT WIRE GUIDE ROD - WILSON COMBAT GOVERNMENT FULL LENGTH FLAT WIRE GUIDE ROD

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Improve cycling, spring life and overall operation with the best of both worlds- the long lasting flat-wire spring and a precision machined full length guide rod. The Flat Wire Full Length Guide Rod and plug replaces your stock recoil spring guide and plug on full size bushing barrel 1911's without any pistol modifications. Assembly and disassembly are the same as with stock components but a bushing wrench may be required. The hardened stainless steel rod has a hole for simple pin-style takedown using a small nail or bent paperclip. Improves Cycling and Overall Operation Improved Recoil Spring Life Full Length Recoil Spring Guide Machined from Bar Stock .250" Rod Diameter Compatible with Shok-Buff® Recoil Buffers

# Safety Instruction Guide for 1911 FullLength Flat Wire Guide Rod

## Introduction

Thank you for choosing the 1911 FullLength Flat Wire Guide Rod by Wilson Combat. This guide rod is designed to improve cycling, extend spring life, and enhance the overall operation of your firearm. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store this product and your firearm in a secure location, out of reach of children and unauthorized individuals.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.
- Regularly check for any recalls or safety notices related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use this guide rod with fullsize bushing barrel 1911 models.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use a bushing wrench if necessary to avoid damaging the firearm or the guide rod during installation or disassembly.
- Be cautious when using the hole in the guide rod for takedown; ensure that the pin or tool used is appropriate and will not cause injury.
- Regularly inspect the guide rod for signs of wear or damage. Do not use if damaged.
- If you experience any malfunction or issues during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a bushing wrench and a small nail or bent paperclip for takedown.

### 2. Installation:

- Remove the stock recoil spring guide and plug from your firearm.
- Insert the Flat Wire Full Length Guide Rod into the recoil spring assembly.
- Replace the guide rod plug securely.
- Ensure that the guide rod is properly aligned and seated.

### 3. Disassembly:

- To disassemble, ensure the firearm is unloaded.
- Use the bushing wrench to remove the barrel bushing.
- Insert a small nail or bent paperclip into the hole of the guide rod for easy takedown.

- Carefully remove the guide rod and plug from the assembly.

#### **4. Usage:**

- After installation, perform a function check to ensure proper cycling and operation.
- Follow all standard safety practices when using your firearm.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the guide rod is damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the 1911 FullLength Flat Wire Guide Rod, please refer to your local dealer or manufacturer's website for contact information. Always ensure you are seeking assistance from authorized representatives familiar with the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 FullLength Flat Wire Guide Rod. Thank you for your attention to safety and responsible firearm handling.
