Vickers Elite Snag Free Front Fiber Optic Front Sights Safety Instruction Guide

Introduction

Thank you for choosing the Vickers Elite Snag Free Front Fiber Optic Front Sights for your M&P® firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model, particularly the M&P® PRO longslide version, which requires a .180" high front sight.
- Always handle firearms with care. Treat every firearm as if it is loaded.
- Store the front sight in a safe place, away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. Do not use the product if it appears damaged.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- When installing or adjusting the front sight, ensure the firearm is unloaded.
- Use appropriate tools for installation to avoid damaging the sight or firearm.
- Avoid placing your fingers in front of the muzzle at all times.
- If you are unsure about the installation or use of the front sight, seek assistance from a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded.
- Gather the necessary tools for installation, including a sight pusher or hammer and punch.

2. Installation:

- Remove the existing front sight from your M&P® firearm.
- Align the new Vickers Elite front sight with the sight dovetail.
- Gently tap the sight into place using a sight pusher or hammer and punch. Ensure it is secure but avoid overtightening.
- Check for proper alignment with the rear sight.

3. Usage:

- Once installed, verify that the sight is secure before using the firearm.
- Practice shooting with the new front sight to become familiar with its alignment and visibility.
- Regularly check the sight for stability and alignment during routine firearm maintenance.

Disposal Instructions

- Dispose of any damaged or worn front sights in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or

hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact your local retailer or manufacturer. They can provide assistance and additional information regarding the Vickers Elite Snag Free Front Fiber Optic Front Sights.

By following these guidelines and instructions, you can ensure the safe and effective use of your Vickers Elite Snag Free Front Fiber Optic Front Sights. Always prioritize safety and responsible firearm handling.
