# VICKERS ELITE SNAG FREE FRONT FIBER OPTIC FRONT SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Vickers Elite Snag Free Front Fiber Optic Front Sight for your Smith & Wesson M&P® firearm. This guide provides essential safety instructions and information to ensure safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the front sight.
- Only use the front sight with compatible Smith & Wesson M&P® models as specified.
- Regularly inspect the front sight for any signs of wear or damage.
- Do not modify the front sight in any way as this may compromise safety.
- Keep the front sight and all firearm accessories out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Ensure that the front sight is securely attached before using the firearm.
- Use the appropriate height for your specific barrel length and caliber:
  - Use .165" height for all barrel lengths/calibers except the M&P® PRO longslide version.
  - For the M&P Pro longslide version, use the .180" height front sight.
- Avoid using the firearm in wet or slippery conditions to prevent accidents.
- If you notice any issues with the front sight during use, cease operation immediately and inspect for problems.
- Always follow local laws and regulations regarding the use of firearms and accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation.

### 2. Installation:

- Remove the existing front sight from your firearm, if applicable.
- Align the Vickers Elite Snag Free Front Sight with the mounting area on your firearm.
- Securely attach the front sight using the appropriate screws or mounting method as per the manufacturer's instructions.
- Verify that the sight is firmly in place and does not move.

### 3. Usage:

- Once installed, check the alignment of the front sight with your rear sight.
- Practice aiming and shooting in a safe environment to familiarize yourself with the new sight.
- Regularly check the front sight for tightness and alignment during routine firearm maintenance.

## **Disposal Instructions**

- Dispose of the front sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer in use, consider recycling or contacting a local waste management facility for proper disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Vickers Elite Snag Free Front Fiber Optic Front Sight, please contact your local dealer or the manufacturer directly for assistance.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your Vickers Elite Snag Free Front Fiber Optic Front Sight. Always prioritize safety and compliance with local laws when using firearms. Thank you for your attention to these important guidelines.
