# Vickers Elite Snag Free Front Fiber Optic Front Sights Safety Instructions

## Introduction

Thank you for choosing the Vickers Elite Snag Free Front Fiber Optic Front Sights for your M&P® pistol. This product is designed to enhance your shooting accuracy and experience. Please read this safety instruction guide carefully to ensure safe and proper use of the front sights.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the front sights.
- Always wear appropriate eye and ear protection when using firearms.
- Keep the front sights out of reach of children and unauthorized users.
- Regularly inspect the front sights for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- The .165" height front sight is compatible with all barrel lengths and calibers except for the M&P® PRO longslide version. For this model, use the .180" high front sight.
- Do not attempt to modify or alter the front sights. Any modification may compromise safety and performance.
- Ensure that the front sight is securely installed before using the firearm.
- If you experience any issues with alignment or visibility, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., sight pusher, appropriate screwdriver).

### 2. Installation Steps

- Remove the existing front sight from your M&P® pistol using the appropriate tool.
- Align the new Vickers Elite front sight in the sight dovetail.
- Securely tighten the sight using the recommended torque specifications.
- Confirm that the sight is properly aligned and does not move when pressure is applied.

### 3. Usage

- When aiming, ensure that the fiber optic rod is clean and unobstructed for optimal visibility.
- Practice shooting with the new sights in a controlled environment to become familiar with their use.
- Regularly check the front sight for any looseness or damage before use.

## Disposal Instructions

- Dispose of any damaged or unusable front sights in accordance with local regulations.
- Do not dispose of the product in general waste. Check for recycling options for metal components.

## Contact Information for Further Support

For any inquiries or concerns regarding the Vickers Elite Snag Free Front Fiber Optic Front Sights, please refer to the manufacturer's support channels. Ensure that you have the product details ready for efficient assistance.

By following these guidelines, you can ensure safe and effective use of your Vickers Elite Snag Free Front Fiber Optic Front Sights. Thank you for prioritizing safety in your shooting practices.
