# VICKERS ELITE SNAG FREE FRONT FIBER OPTIC FRONT SIGHTS FOR M&P® WILSON COMBAT VICKERS ELITE FRONT SIGHT RED FIBER OPTIC .180" HEIGHT Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Elite Snag Free Front Fiber Optic Front Sights for your M&P® firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your front sight. Please read this manual thoroughly before installation and usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the front sight is installed correctly to avoid any misalignment or accidents.
- Keep the front sight and all firearm components clean and free from obstructions.
- Regularly inspect the front sight for wear or damage.
- Use only compatible firearms as specified in the product description.
- Do not modify the front sight or any associated components.
- Store the front sight in a secure location, away from children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Use the .165" height front sight with all barrel lengths/calibers, except for the M&P® Pro longslide version. For the M&P Pro longslide, use the .180" high front sight.
- **Installation:** Ensure the front sight is securely attached to prevent detachment during use.
- **Fiber Optic Caution:** The fiber optic rod is delicate. Handle with care to avoid breakage.
- **Shooting Environment:** Be aware of your surroundings and ensure a safe shooting environment when using your firearm.
- **Age Restrictions:** This product is intended for adult use only. Keep out of reach of children.

## Instructions for Installation and Usage

1. **Gather Required Tools:** You will need a proper sight installation tool (if applicable) and any other tools recommended by the firearm manufacturer.
2. **Remove Existing Sight:** If replacing an existing front sight, carefully remove it according to your firearm's manual.
3. **Install the New Front Sight:**
  - Align the new front sight with the mounting area on your firearm.
  - Securely attach the front sight, ensuring it is flush and aligned properly.
  - Tighten any screws or fasteners as needed, following the manufacturer's torque specifications.
4. **Check Alignment:** Once installed, check the alignment of the front sight with the rear sight to ensure accuracy.
5. **Test Functionality:** Before using the firearm, conduct a functionality test to ensure the front sight is secure and properly aligned.

## Disposal Instructions

When disposing of the Vickers Elite Snag Free Front Fiber Optic Front Sight, follow these guidelines:

- Dispose of the front sight in accordance with local regulations.
- Do not dispose of in regular household waste if the product is damaged or contains hazardous materials.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For further support, please refer to the manufacturer's website or contact their customer service directly. Ensure you have your product details available for assistance.

This guide is designed to help you understand the safety measures necessary for using the Vickers Elite Snag Free Front Fiber Optic Front Sights. By adhering to these guidelines, you can ensure a safer experience while enjoying your firearm.
