Safety Instruction Guide for 1911 PROOF® Stainless Steel Extractor

Introduction

Thank you for choosing the 1911 PROOF® Stainless Steel Extractor by Wilson Combat. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your extractor. Please read this document thoroughly before using the product.

General Safety Guidelines

- Ensure that the extractor is installed correctly to avoid malfunctions.
- Regularly inspect the extractor for wear and tear.
- Always handle firearms with care and follow the general safety practices associated with firearm usage.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with Series 70 1911 Auto firearms.
- Ensure that the extractor is compatible with your firearm's caliber (.38 Super or 9 mm).
- Avoid using excessive force when installing or adjusting the extractor.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not attempt to modify the extractor beyond the recommended adjustments for tension.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation Steps

- Carefully remove the old extractor from your firearm if applicable.
- Align the new 1911 PROOF® Stainless Steel Extractor with the extractor slot on your Series 70 1911.
- Gently insert the extractor into the slot, ensuring it is seated properly.
- If necessary, make minor tension adjustments to ensure proper fit and function.

3. Usage

- After installation, conduct a function check to ensure that the extractor operates correctly.
- Regularly clean and maintain your extractor and firearm to ensure optimal performance.
- Monitor the extractor for signs of wear and replace if necessary.

Disposal Instructions

- Dispose of the extractor in accordance with local regulations.
- Do not dispose of the extractor in regular household waste.
- Contact local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 PROOF® Stainless Steel Extractor, please consult the manufacturer's website or your local authorized dealer for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your enhanced performance with the 1911 PROOF® Stainless Steel Extractor.
