

# **VICKERS ELITE BATTLESIGHT FOR GLOCK® - WILSON COMBAT**

## **VICKERS ELITE BATTLESIGHT FOR GLOCK , TRITIUM DOT**

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The high profile Vickers Elite Battlesight rear has a .145" wide, deep U-Notch for optimum sighting in low-light, dynamic range conditions and is a perfect match to our .125" wide front sights. The concave non-reflective rear blade is serrated 40 lines per inch, while the notch area is recessed into a semi-circular pocket for a crisp, protected sight picture. Two hardened set-screws ensure this sight will never shoot loose under the most demanding conditions. This snag-free rear sight also has a shelf shape that enables one-hand slide cycling or malfunction clearance and a rugged, non-reflective matte black parkerized finish. The Vickers Elite Battlesight is available with plain black serrated rear blades and your choice of black serrated, green/red fiber optic or tritium front sight styles. The high profile of the Vickers Elite Battlesight allows the use of a taller front sight and deeper rear notch for better sight tracking during high speed shooting situations. NOTE: Sights may require minor fitting. The Vickers Elite Glock® Sight set requires the use of a .245" tall front sight for all caliber Glock® pistols except for .45 ACP and 10mm which will typically require the .230" front sight.

# Vickers Elite Battlesight for Glock® Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers Elite Battlesight for Glock®. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. It is important to read and understand these instructions before installation and use.

## General Safety Guidelines

- Ensure the product is used only as intended.
- Always handle firearms and accessories with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- If you notice any issues with the sight, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use only with compatible Glock® models as specified in the product description.
- Ensure the sight is securely mounted before using the firearm.
- Avoid using the sight in extreme environmental conditions that may compromise its performance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Do not attempt to modify the sight or use it in a manner not recommended by the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Carefully remove any existing sights from your Glock®.
3. **Position the Rear Sight:** Align the Vickers Elite Battlesight rear onto the slide. Ensure it fits securely in place.
4. **Secure the Rear Sight:** Use the provided setscrews to tighten the rear sight. Ensure it is snug but do not overtighten.
5. **Install the Front Sight:** Choose the appropriate front sight style (black serrated, green/red fiber optic, or tritium) and install it as per the manufacturer's instructions.
6. **Check Alignment:** Verify that both sights are aligned correctly before use.

### Usage

- Once installed, practice using the sight in a controlled environment.
- Familiarize yourself with the sight's features and how it affects your aiming and shooting.
- Regularly check and maintain the sight to ensure optimal performance.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or performance of the Vickers Elite Battlesight for Glock®, please consult the manufacturer's website or contact their customer support.

### Important Note

- This product may require minor fitting for optimal performance.
- Always refer to the manufacturer's guidelines for specific product details and compatibility.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Vickers Elite Battlesight for Glock®. Thank you for prioritizing safety and responsible firearm use.
