

VICKERS ELITE BATTLESIGHT FOR GLOCK® 42/43 - WILSON COMBAT VICKERS ELITE BATTLESIGHT FOR G42/43, TRITIUM TWO DOT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The high profile Vickers Elite Battlesight rear has a .145" wide, deep U-Notch for optimum sighting in low-light, dynamic range conditions and is a perfect match to our .125" wide front sights. The concave non-reflective rear blade is serrated 40 lines per inch, while the notch area is recessed into a semi-circular pocket for a crisp, protected sight picture. Two hardened set-screws ensure this sight will never shoot loose under the most demanding conditions. This snag-free rear sight also has a shelf shape that enables one-hand slide cycling or malfunction clearance and a rugged, non-reflective matte black parkerized finish.

Vickers Elite Battlesight Safety Instructions

Introduction

Thank you for choosing the Vickers Elite Battlesight for your Glock® 42/43. This guide provides essential safety instructions to ensure the safe and effective use of your battlesight. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure the product is suitable for your firearm model (Glock® 42/43).
- Always handle firearms with care and follow all safety protocols.
- Inspect the battlesight for any damage before installation.
- Keep the battlesight out of reach of children and unauthorized users.
- Familiarize yourself with the product's features and functions.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify the battlesight in any way.
- Ensure the firearm is unloaded before installing the battlesight.
- Always wear appropriate eye protection when handling firearms.
- Avoid using the battlesight in extreme weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your Glock® 42/43 is unloaded and pointed in a safe direction.
2. **Remove the Old Sight:** If applicable, carefully remove any existing rear sight using appropriate tools.
3. **Position the Battlesight:** Align the Vickers Elite Battlesight with the rear sight dovetail of your Glock®.
4. **Secure the Sight:** Use the provided hardened setscrews to secure the battlesight in place. Ensure it is tightened adequately to prevent loosening during use.
5. **Check Alignment:** Confirm that the battlesight is aligned correctly with the front sight for optimal accuracy.

Usage

- Familiarize yourself with the sight picture provided by the battlesight.
- Practice using the battlesight in a controlled environment to become accustomed to its features.
- Regularly clean the battlesight to maintain visibility and performance.
- Always follow safe shooting practices when using your firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the battlesight in regular household waste.
- Check with local authorities or waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the product, please consult your retailer or manufacturer. Ensure you keep the

product information and receipt for warranty purposes.

Thank you for choosing the Vickers Elite Battlesight. Your safety is our priority. Please follow these guidelines to ensure a safe and enjoyable experience.
