Wilson Combat WCP320 Carry Grip Module Safety Instructions

Introduction

Thank you for choosing the Wilson Combat WCP320 Carry Grip Module for your SIG SAUER P320. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your SIG SAUER P320 before installing the grip module.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and grip module for any signs of wear or damage.
- Use only compatible parts and accessories as specified in this manual.
- In case of any uncertainty regarding the installation or use, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- **Manual Safety:** Ensure the manual safety is engaged when the firearm is not in use.
- **Grip Control:** Maintain a firm grip on your firearm to prevent accidental discharge.
- **Recoil Management:** Be aware that the grip module is designed to improve recoil control; however, always practice safe shooting techniques.
- **Age Restrictions:** This product is intended for adult use only. Keep it away from children.
- **Training:** Consider taking a firearms safety course to enhance your understanding of safe firearm handling practices.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded before beginning the installation.
- Remove the existing grip module from your SIG SAUER P320.
- Align the Wilson Combat WCP320 Carry Grip Module with the firearm frame.
- Secure the grip module in place according to the manufacturer's specifications.
- Reinstall any necessary components that were removed during the process.

2. Usage Instructions:

- Once installed, familiarize yourself with the grip's feel and adjust your grip as necessary for comfort and control.
- Test the functionality of the manual safety before using the firearm.
- Practice with the grip module to understand its impact on your shooting performance.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If you need to dispose of the grip module or any firearm parts, follow local laws regarding hazardous waste and firearm component disposal.

Contact Information for Further Support

For safety inquiries, product support, or additional information, please refer to the manufacturer's website or your local authorized dealer.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Wilson Combat WCP320 Carry Grip Module. Always prioritize safety when handling firearms and seek professional assistance if needed. Thank you for choosing Wilson Combat.
