# Wilson Combat WCP320 Grip Module Safety Instructions

## Introduction

Thank you for choosing the Wilson Combat WCP320 Grip Module for your SIG SAUER P320 Carry. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of your product. Please read this manual carefully before using the grip module.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm and grip module in a secure location, away from children and unauthorized users.
- Regularly inspect the grip module for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the grip module is compatible with your specific model of SIG SAUER P320 Carry.
- Do not use the grip module with California versions of the SIG SAUER P320.
- Always use factory SIGSAUSER magazine release, spring, and lock included with the grip module.
- Avoid using the grip module in wet or slippery conditions to prevent loss of control.
- If you experience any malfunctions while using the grip module, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Grip Module:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module by following the manufacturer's instructions.
- Align the Wilson Combat WCP320 Grip Module with the firearm frame.
- Firmly press down until the grip module is securely attached.
- Ensure that all components are properly aligned and functioning.

### 2. Usage Instructions:

- Familiarize yourself with the grip module's features, including the manual safety (if applicable).
- Practice holding the firearm with the new grip module to ensure comfort and control.
- Regularly clean the grip module according to the manufacturer's recommendations to maintain optimal performance.

### 3. Safety Checks:

- Before each use, perform a safety check to ensure the grip module is securely attached and functioning correctly.
- Check that the manual safety (if applicable) is operational and engages/disengages smoothly.

## Disposal Instructions

- Dispose of the grip module in accordance with local regulations.
- Do not dispose of the grip module in regular household waste.
- If the grip module is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Wilson Combat WCP320 Grip Module, please refer to the manufacturer's website or customer support channels for assistance.

**Important Note:** Wilson Combat SIG SAUER Grip Modules are not compatible with California versions of the SIG SAUER P320. Always ensure compliance with local laws and regulations regarding firearm accessories.
