

WCP320 GRIP MODULE FOR SIG SAUER® P320 FULL SIZE - WILSON COMBAT WCP320 FULL SIZE GRIP MODULE NO MANUAL SAFETY BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Upgrade your shooting with the Wilson Combat WCP320 full-size grip module for SIG-SAUER P320. Their molded polymer grips provide improved control and decreased recoil, taking your experience to a whole new level! Wilson Combat SIG SAUER Grip Modules are not compatible with California versions of the SIG SAUER P320. Revolutionize your shooting experience and upgrade the concealed carry potential of a SIG-SAUER P320 with Wilson Combat's reengineered grip frame. Their molded polymer grips will not only improve your grasp on the gun but also control recoil better than before. With its redesigned shape, texture, and ergonomics, these six new models are designed to give you that custom handcrafted feel in no time at all—available in both black or tan shades for standard-size frames as well as those equipped with manual safeties! Their fresh look at the P320 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". They believe it is the most practical, comfortable, and stylish P320 grip available and the ideal choice for concealed carry and defensive handgun use.

Wilson Combat WCP320 Grip Module Safety Instructions

Introduction

Thank you for choosing the Wilson Combat WCP320 Grip Module for your SIG SAUER P320 Full Size. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the grip module properly.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a clear line of fire.
- Use appropriate eye and ear protection while shooting.
- Ensure that the grip module is compatible with your specific model of the SIG SAUER P320.
- Do not use the grip module if it shows any signs of damage or wear.
- Keep the grip module and firearm out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Wilson Combat WCP320 Grip Module is compatible with your SIG SAUER P320 Full Size model. Note that it is not compatible with California versions of the SIG SAUER P320.
- **Manual Safety:** If your firearm is equipped with a manual safety, ensure it is engaged when the firearm is not in use.
- **Grip Handling:** Always ensure a firm grip on the firearm while handling to prevent accidental slips.
- **Recoil Management:** Be aware that the grip module is designed to improve recoil control; however, proper shooting stance and technique are still essential.
- **Training:** Consider training with a qualified instructor to familiarize yourself with the grip module's features and handling.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Grip:** Carefully remove the existing grip module from your SIG SAUER P320 by following the manufacturer's instructions.
3. **Align the Grip Module:** Position the Wilson Combat WCP320 Grip Module onto the firearm frame, ensuring alignment with all mounting points.
4. **Secure the Grip:** Firmly attach the grip module to the frame, ensuring all screws and components are tightened according to specifications.
5. **Check Functionality:** Verify that the magazine release, safety, and other components function correctly after installation.

Usage Instructions

- **Grip Adjustment:** Adjust your grip to ensure comfort and control during use.
- **Regular Inspection:** Regularly inspect the grip module for any signs of wear or damage.
- **Proper Cleaning:** Clean the grip module as per the manufacturer's recommendations to maintain optimal performance.

Disposal Instructions

- Dispose of the grip module responsibly.
- If the grip module is damaged beyond repair, follow local regulations for disposal of polymer materials.
- Do not dispose of the grip module in regular household waste if it is classified as hazardous by local regulations.

Contact Information for Further Support

For any safety inquiries or support regarding the Wilson Combat WCP320 Grip Module, please refer to the official Wilson Combat website or contact your local authorized dealer.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable shooting experience with your Wilson Combat WCP320 Grip Module. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important guidelines.
