

WCP320 GRIP MODULE FOR SIG SAUER® P320 FULL SIZE - WILSON COMBAT WCP320 FULL SIZE GRIP MODULE NO MANUAL SAFETY TAN

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Upgrade your shooting with the Wilson Combat WCP320 full-size grip module for SIG-SAUER P320. Their molded polymer grips provide improved control and decreased recoil, taking your experience to a whole new level! Wilson Combat SIG SAUER Grip Modules are not compatible with California versions of the SIG SAUER P320. Revolutionize your shooting experience and upgrade the concealed carry potential of a SIG-SAUER P320 with Wilson Combat's reengineered grip frame. Their molded polymer grips will not only improve your grasp on the gun but also control recoil better than before. With its redesigned shape, texture, and ergonomics, these six new models are designed to give you that custom handcrafted feel in no time at all—available in both black or tan shades for standard-size frames as well as those equipped with manual safeties! Their fresh look at the P320 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". They believe it is the most practical, comfortable, and stylish P320 grip available and the ideal choice for concealed carry and defensive handgun use.

Wilson Combat WCP320 Grip Module Safety Instruction Guide

Introduction

Thank you for choosing the Wilson Combat WCP320 Grip Module for your SIG SAUER P320 fullsize handgun. This guide provides essential safety instructions and guidelines to ensure the safe use of your grip module. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is compatible with your specific model of SIG SAUER P320.
- Always follow safe handling practices for firearms, including treating every gun as if it is loaded.
- Store the grip module and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your grip module for any signs of wear or damage before use.
- Do not modify the grip module in any way, as this can compromise safety.
- Be aware that Wilson Combat grip modules are not compatible with California versions of the SIG SAUER P320.

Specific Safety Precautions for Use

- **Manual Safety:** If you have selected a model with a manual safety, ensure it is engaged when the firearm is not in use.
- **Grip Traction:** Make sure your hands are dry and free from oils or lubricants that may affect grip traction.
- **Caliber Awareness:** Ensure that you are using the correct caliber as specified for your firearm (9mm, .40 S&W, .357 SIG).
- **Weight Compatibility:** The grip module is not compatible with XFive Tungsten weights. Use only factoryrecommended weights for optimal performance.
- **Training:** Seek professional training to familiarize yourself with the new grip module and its handling characteristics.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and the magazine is removed.
- Gather necessary tools for installation, including a screwdriver and any required components.

2. Installation:

- Remove the existing grip module from your SIG SAUER P320 by following the manufacturer's instructions.
- Align the Wilson Combat WCP320 Grip Module with the firearm frame.
- Securely attach the grip module, ensuring all screws are tightened to the manufacturer's specifications.

3. Usage:

- Grip the firearm firmly using the enhanced grip texture for improved control.
- Practice drawing and aiming with the new grip module to become accustomed to its feel and handling.

4. PostUse Care:

- After each use, clean the grip module according to the manufacturer's recommendations.
- Store the firearm safely and securely when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grip module becomes damaged or is no longer usable, dispose of it responsibly, ensuring it does not pose a risk to others.
- Consider recycling options for polymer materials where available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service department directly.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Wilson Combat WCP320 Grip Module. Always prioritize safety when handling firearms, and stay informed about best practices.
