Safety Instruction Guide for WCP320 Grip Module for Sig Sauer P320 Carry II

Introduction

Thank you for choosing the Wilson Combat WCP320 Grip Module for your Sig Sauer P320 Carry II. This guide provides essential safety instructions to ensure the safe and effective use of your new grip module. Please read this manual carefully before installation and usage to understand the safety precautions and proper handling of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the grip module is compatible with your specific firearm model before installation.
- Inspect the grip module for any visible damages or defects before use.
- Keep the grip module and firearm out of reach of children and unauthorized users.
- Store the firearm in a secure and locked location when not in use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the WCP320 Grip Module is not used with California versions of the Sig Sauer P320.
- **Manual Safety:** Select the appropriate safety option (manual safety or no manual safety) based on your preference and training.
- **Grip Handling:** Always maintain a firm grip on the firearm to control recoil effectively.
- **Training:** Seek professional training on the safe handling and operation of firearms, especially if you are new to shooting.
- **Regular Maintenance:** Regularly clean and inspect the grip module and firearm to ensure proper functioning and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module from the firearm following the manufacturer's instructions.
- Align the WCP320 Grip Module with the firearm frame.
- Securely attach the grip module, ensuring it is firmly in place.
- Reinstall any necessary components, such as the magazine release.

2. Usage:

- Before using the firearm, ensure you are familiar with its functions and features.
- Practice safe handling techniques at all times.
- Use appropriate ammunition as specified for your firearm model (9mm, .40 S&W, .357 SIG).
- Engage in regular practice to improve proficiency and comfort with the grip module.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations and guidelines for plastic waste.
- Do not dispose of the grip module in regular household waste.
- If the grip module is damaged or no longer usable, contact your local waste management authority for

proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support regarding the WCP320 Grip Module, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions, you can ensure a safer shooting experience with your Wilson Combat WCP320 Grip Module. Always prioritize safety and responsible firearm handling.
