[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Revolutionize your shooting experience and upgrade the concealed carry potential of a SIG-SAUER P320 with the black Wilson Combat WCP320 manual safety compact grip module. Their all-new molded polymer grips will not only improve your grasp on the gun but also control recoil better than before. Wilson Combat SIG SAUER Grip Modules are not compatible with California versions of the SIG SAUER P320. Revolutionize your shooting experience and upgrade the concealed carry potential of a SIG-SAUER P320 with Wilson Combat's reengineered grip frame. Their molded polymer grips will not only improve your grasp on the gun but also control recoil better than before. With its redesigned shape, texture, and ergonomics, these six new models are designed to give you that custom handcrafted feel in no time at all—available in both black or tan shades for standard-size frames as well as those equipped with manual safeties! Their fresh look at the P320 grip module incorporates the suggestions of tactical trainers, champion shooters, and firearms experts into the final product that has a look that is unmistakably "Wilson". They believe it is the most practical, comfortable, and stylish P320 grip available and the ideal choice for concealed carry and defensive handgun use.

Safety Instruction Guide for WCP320 Grip Module

Introduction

Thank you for choosing the WCP320 Grip Module for your SIG SAUER P320 Compact. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the grip module out of reach of children and unauthorized users.
- Inspect the grip module for any damages or defects before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Only install the grip module in a safe and controlled environment.
 - Ensure the firearm is unloaded before beginning installation.
- **Usage Precautions:**
 - Always use the firearm in accordance with local laws and regulations.
 - Be aware of your surroundings and ensure a clear line of sight when handling the firearm.
 - Use appropriate eye and ear protection when shooting.
- **Compatibility Warning:**
 - This grip module is not compatible with California versions of the SIG SAUER P320.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is completely unloaded.
- Remove the existing grip module from the SIG SAUER P320 Compact.
- Align the WCP320 Grip Module with the firearm frame.
- Securely attach the grip module, ensuring all components are properly fitted.
- Check for any movement or misalignment after installation.

2. Usage Steps:

- Familiarize yourself with the grip module's features, including the manual safety option if applicable.
- Practice handling the firearm with the new grip module to ensure comfort and control.
- Regularly check the grip module for wear and tear, especially after extensive use.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations for electronic and polymer waste.
- Do not incinerate or expose the grip module to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For any inquiries or support regarding the WCP320 Grip Module, please refer to the manufacturer's contact

points or authorized dealers. Ensure you have your product details ready for a more efficient response.

Conclusion

By following these safety instructions, you can enjoy enhanced performance and safety with your WCP320 Grip Module. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these guidelines.
