# Safety Instruction Guide for 1911 "FACTORY PLUS" Grip Screws

## Introduction

Thank you for choosing the 1911 "FACTORY PLUS" Grip Screws. This guide provides essential safety instructions and recommendations to ensure the safe usage of these products. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all tools and equipment used during installation are in good condition and suitable for the task.
- Always follow the manufacturer's instructions when using tools or accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip screws for wear and tear or any signs of damage.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use grip screws that are compatible with the 1911 Auto models: Government, Commander, and Officers.
- Avoid overtightening the screws, as this may lead to damage to the grip or firearm.
- Use protective eyewear when working with tools to prevent injury.
- Ensure that the firearm is unloaded and pointed in a safe direction before performing any maintenance or installation work.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe working environment.
- Gather necessary tools, including a screwdriver suitable for slotted head screws.

### 2. Installation Steps:

- Align the grip screw with the designated hole on the grip.
- Insert the screw and handtighten it to ensure proper alignment.
- Using the screwdriver, tighten the screw securely, but do not overtighten.
- Repeat the process for all grip screws.

### 3. PostInstallation:

- Inspect the installation to ensure all screws are secure and the grip is properly attached.
- Test the grip for stability before using the firearm.

## Disposal Instructions

- Dispose of any unused or damaged grip screws in accordance with local regulations.
- Do not dispose of the product in general waste. Instead, follow your local recycling guidelines for metal products.
