1911 AUTO "FACTORY PLUS" EJECTOR PIN Safety Instruction Guide

Introduction

Thank you for purchasing the 1911 AUTO "FACTORY PLUS" EJECTOR PIN. This guide provides important safety information, installation instructions, and usage precautions to ensure your safety and the proper functioning of your firearm. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are in a safe and controlled environment when handling or installing the ejector pin.
- Keep firearms out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Familiarize yourself with your firearm's manual and safety features.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunctioning of the firearm.
- Use of incompatible parts may cause safety issues.

- **Instructions to Avoid Hazards:**

- Ensure that the ejector pin is compatible with your specific 1911 model (Government, Commander, Officers).
- Inspect the ejector pin for any signs of damage before installation.
- Do not attempt to modify the ejector pin or any other firearm parts.
- Always ensure the firearm is unloaded before beginning any installation or maintenance work.

- **Age Specific Warnings:**

- This product is intended for use by individuals over the age of 18.
- Ensure that all users are trained in firearm safety and handling.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the grip panels to access the ejector pin area.
3. Carefully remove the old ejector pin, if applicable, using appropriate tools.
4. Align the new ejector pin with the mounting hole and gently press it into place.
5. Ensure that the ejector pin is securely installed and does not move freely.
6. Reattach the grip panels.
7. Conduct a function check of the firearm to ensure proper operation.

- **Usage Tips:**

- Regularly inspect the ejector pin for wear and tear.
- If you experience any issues with your firearm's operation, consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old or unused parts in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of metal parts.

Contact Information for Further Support

For any further questions or concerns regarding the 1911 AUTO "FACTORY PLUS" EJECTOR PIN, please consult your local firearms dealer or a qualified gunsmith. Always prioritize safety and compliance with local laws and regulations regarding firearms.

Thank you for prioritizing safety and responsibility in your firearm use.
