# COMPACT 1911 FULLLENGTH GUIDE ROD KIT OFFICERS GUIDE ROD KIT

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the COMPACT 1911 FULLLENGTH GUIDE ROD KIT OFFICERS GUIDE ROD KIT. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this guide thoroughly to understand the necessary precautions and procedures.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the guide rod kit for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm modifications and use.
- In case of any uncertainty or questions, consult a qualified gunsmith or firearms expert.

### Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure the firearm is unloaded before beginning installation.
- Wear safety glasses to protect your eyes during installation.
- Keep hands clear of the slide and recoil spring during installation.

- **Operational Precautions:**

- Test the firearm in a safe environment after installation to ensure proper functioning.
- Avoid using excessive force during installation to prevent damage to the firearm.
- Do not modify the product or use it in a manner not specified in this guide.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools, including a hex wrench for the guide rod installation.

#### 2. Installation Steps:

- Remove the existing short factory spring plug and guide rod from the firearm.
- Insert the new twopiece hex head guide rod into the recoil spring area.
- Attach the onepiece recoil spring to the hex head guide rod.
- Slightly modify the slide if necessary, ensuring a snug fit for the new guide rod.
- Securely fasten the guide rod in place, ensuring it is properly aligned.

#### 3. PostInstallation Check:

- Manually cycle the slide to ensure smooth operation.
- Check that the guide rod is securely installed and does not move freely.
- Conduct a function test at a shooting range under controlled conditions.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, consult local waste management services for proper disposal methods.
- Do not dispose of the product in regular household waste; seek out designated disposal facilities for firearms components.

## **Contact Information for Further Support**

For any inquiries regarding product safety, installation, or usage, please reach out to your local firearms expert or consult the manufacturer's customer support resources.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the COMPACT 1911 FULLLENGTH GUIDE ROD KIT OFFICERS GUIDE ROD KIT. Regular maintenance and adherence to safety protocols are essential for optimal performance and user safety. Thank you for your attention to these guidelines.
