Safety Instruction Guide for 1911 Extended Ejector .45

Introduction

Thank you for choosing the 1911 Extended Ejector .45. This product is designed to enhance the performance of your firearm by ensuring reliable case ejection, reducing the risk of jams. This safety instruction guide provides important information on safe usage, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing the ejector.
- Always handle firearms with care and follow all safety protocols.
- Store the product in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the ejector and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the ejector with compatible models: 1911 Government.
- Ensure the firearm is unloaded before installation or maintenance.
- Avoid using the product in adverse conditions, such as extreme temperatures or moisture.
- Do not attempt to modify the ejector or the firearm beyond the specified installation instructions.
- Use appropriate protective gear (e.g., safety glasses) during installation and maintenance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch and hammer.

2. Installation Steps:

- Remove the factory ejector from the firearm using the punch and hammer.
- Carefully install the 1911 Extended Ejector by aligning it with the existing mounting points.
- Minor fitting may be required; ensure a snug fit without excessive force.
- Reassemble the firearm and ensure all parts are securely fastened.

3. Testing:

- After installation, conduct a function check to ensure proper ejection of cases.
- Fire a few test rounds in a safe environment to confirm reliable operation.

4. Maintenance:

- Regularly clean the ejector and surrounding areas to prevent debris buildup.
- Inspect the ejector for wear and replace if necessary.

Disposal Instructions

- Dispose of the 1911 Extended Ejector in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 1911 Extended Ejector .45, please reach out to the manufacturer or your local authorized dealer.

Thank you for prioritizing safety with your new product. By following these guidelines, you can ensure a safe and enjoyable experience with your firearm.
