# Safety Instruction Guide for 1911 EXTENDED EJECTOR .38S

## Introduction

Thank you for choosing the 1911 EXTENDED EJECTOR .38S. This product is designed to enhance the ejection of spent cartridges, thereby reducing the risk of jams during firearm operation. Please read this safety instruction guide carefully to ensure safe and effective use of your ejector.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Familiarize yourself with your firearm's operating manual and safety features.
- Use appropriate safety gear, including eye and ear protection, when operating firearms.
- Ensure the ejector is installed correctly to avoid malfunctions.
- Regularly inspect the ejector and firearm for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation or maintenance.
- Avoid using damaged or worn components.
- Only use ammunition that is compatible with the .38 Super and .45 calibers.
- Do not attempt to modify the ejector or firearm in any way not specified in the instructions.
- Keep fingers clear of the ejection port when firing.
- Do not point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the factory ejector from the firearm according to the manufacturer's instructions.
3. Align the 1911 EXTENDED EJECTOR .38S with the mounting points on the firearm.
4. Securely fasten the ejector in place, ensuring it is properly seated.
5. Perform a function check to ensure the ejector operates correctly.
6. If minor fitting is required, use appropriate tools carefully to avoid damaging the ejector or firearm.

### Usage

- Load your firearm with compatible ammunition.
- Regularly check the ejector for proper function before and after use.
- After firing, inspect the ejection area for any obstructions or issues.
- Clean the ejector and surrounding area to prevent dirt and debris buildup.

## Disposal Instructions

When disposing of the 1911 EXTENDED EJECTOR .38S, please follow these guidelines:

- Do not dispose of the ejector in regular household waste.
- Check local regulations for proper disposal methods for firearm components.
- Consider recycling options if available.

## Contact Information for Further Support

For any inquiries regarding the safety or performance of the 1911 EXTENDED EJECTOR .38S, please consult the manufacturer's customer service. Ensure you have the product details available for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the 1911 EXTENDED EJECTOR .38S. Stay safe!
