## Introduction

Thank you for purchasing the 1911 Barrel Link from Wilson Combat. This guide provides essential safety instructions and guidelines for the safe use of this product. Please read this document carefully to ensure proper handling and maintenance.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and their components with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with compatible 1911 models: Government, Commander, and Officers.
- Verify that the barrel link is the correct size (.278" centertocenter) for your firearm.
- Ensure that all components are properly secured before use.
- Do not modify or alter the barrel link or any associated parts.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation.

### 2. Installation:

- Remove the old barrel link if applicable.
- Align the new barrel link with the corresponding holes in the barrel and frame.
- Secure the barrel link in place, ensuring it is properly seated.
- Doublecheck that all components are tight and secure before proceeding.

### 3. Usage:

- Test the fit and function of the barrel link by cycling the action of the firearm.
- Ensure smooth operation without any binding or excessive play.
- If any issues arise, discontinue use and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms components.
- Do not throw away in regular household waste.
- Consider recycling options for metal components if available.
