

1911 "GROUP GRIPPER" GUIDE ROD & PLUG - WILSON COMBAT G/GC GROUP GRIPPER

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Hardware](#)

Easy, Drop-In Kit Squeezes Maximum Accuracy From Standard Barrels

Exclusive Dwyer Group Gripper acts like an instant accurizing job for standard or factory barreled guns. Full-length guide rod with heavy, internal spring forces barrel top lugs upward into the slide. Gives maximum lug engagement, positive lockup and far more consistent shot-to-shot repeatability.

Safety Instruction Guide for 1911 "GROUP GRIPPER" GUIDE ROD & PLUG WILSON COMBAT G/GC GROUP GRIPPER

Introduction

Thank you for choosing the 1911 "GROUP GRIPPER" Guide Rod & Plug from Wilson Combat. This product is designed to enhance the performance of your firearm by providing improved barrel engagement and consistency. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that you have a clear understanding of how to operate and maintain your firearm.
- Store your firearm and ammunition securely, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the recommended components with the 1911 "GROUP GRIPPER" Guide Rod & Plug.
- Do not attempt to modify or alter the product in any way.
- Ensure that the firearm is unloaded before installation or maintenance.
- Always wear appropriate eye protection when handling or shooting your firearm.
- Be cautious of any potential pinch points during installation and usage.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components included in the kit: twopiece fulllength guide rod, guide plug, barrel link, and instructions.

2. Installation Steps

- Remove the existing guide rod and plug from your firearm.
- Install the new twopiece guide rod by following these steps:
 - Insert the guide rod into the frame of the firearm, ensuring it is seated properly.
 - Attach the guide plug to the end of the guide rod.
 - Install the barrel link as per the instructions provided in the kit.
- Ensure that all components are securely fastened and properly aligned.

3. Usage

- After installation, perform a function check to ensure proper operation.
- When using your firearm, maintain a firm grip and proper stance.

- Regularly inspect the guide rod and plug for wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged or is no longer in use, consult local guidelines for the proper disposal of firearms accessories.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the 1911 "GROUP GRIPPER" Guide Rod & Plug, please contact the manufacturer or a qualified firearms expert. Ensure that you have your product details ready for reference.

Thank you for prioritizing safety and performance with your Wilson Combat product.
