

# 1911 "GROUP GRIPPER" GUIDE ROD & PLUG - WILSON COMBAT CM GROUP GRIPPER

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Hardware](#)

## Easy, Drop-In Kit Squeezes Maximum Accuracy From Standard Barrels

Exclusive Dwyer Group Gripper acts like an instant accurizing job for standard or factory barreled guns. Full-length guide rod with heavy, internal spring forces barrel top lugs upward into the slide. Gives maximum lug engagement, positive lockup and far more consistent shot-to-shot repeatability.

# 1911 "GROUP GRIPPER" GUIDE ROD & PLUG SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the 1911 "GROUP GRIPPER" Guide Rod & Plug by Wilson Combat. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using your firearm.
- Familiarize yourself with the operation of your firearm and this product before use.
- Regularly inspect your firearm and this product for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing the guide rod and plug.
- Do not force the installation of the guide rod or plug; if it does not fit easily, seek professional assistance.
- Avoid using the product with firearms that have been modified in ways that could affect safety or performance.
- Use only the recommended components and accessories with this product.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools and components.

#### 2. Disassembly

- Remove the slide from the frame according to the manufacturer's instructions.
- Remove the existing guide rod and plug.

#### 3. Installation of the Group Gripper

- Insert the new guide rod into the guide rod housing.
- Attach the guide plug securely.
- Ensure that the barrel link is properly aligned.

#### 4. Reassembly

- Reattach the slide to the frame.
- Perform a function check to ensure proper operation.

## **Usage**

- After installation, perform test firing in a controlled environment.
- Monitor the performance of the firearm and the new components during use.
- Regularly check the guide rod and plug for any wear or damage.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged beyond repair, dispose of it safely to prevent any potential hazards.
- Follow local guidelines for the disposal of metal and firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 1911 "GROUP GRIPPER" Guide Rod & Plug, please refer to the manufacturer's contact information provided with the product. Ensure that you have the product details ready when seeking assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible use of this product.
