Safety Instruction Guide for 1911 HEX HEAD GRIP SCREWS WILSON COMBAT 4 PACK H/H BLUE G/SCREWS

Introduction

Thank you for choosing the 1911 HEX HEAD GRIP SCREWS from Wilson Combat. This product is designed for the safe and effective installation of grip screws on 1911 firearms. Please read this safety instruction guide carefully to ensure proper usage and to avoid any potential hazards.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always use the product for its intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates regarding product recalls or safety alerts on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before use, inspect the grip screws for any signs of damage or defects.
- Always wear safety glasses when installing or removing grip screws to protect your eyes from debris.
- Use the provided Allen wrench to ensure proper fitting and avoid using excessive force.
- Do not use grip screws that are rusty, corroded, or show any signs of wear, as this may compromise safety.
- Ensure that the firearm is unloaded and safe before attempting to install or remove grip screws.
- If you experience difficulty during installation, do not force the screws; instead, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that your workspace is clean and free of distractions.
- Gather the necessary tools, including the provided Allen wrench.

2. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Carefully align the grip screws with the corresponding holes on the grip panel.
- Insert the grip screws into the holes and handtighten them initially.
- Using the Allen wrench, tighten the screws securely, but do not overtighten to avoid damaging the grip or screws.
- Check that the grip is firmly attached and does not wobble.

3. Removal

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Use the Allen wrench to loosen and remove the grip screws.
- Carefully detach the grip panel from the firearm.

Disposal Instructions

- Dispose of any damaged or unusable grip screws in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 HEX HEAD GRIP SCREWS. Thank you for your attention to these important safety guidelines.
