# Safety Instruction Guide for #324 "G", COLT GOVT. .45 ACP SPRING KIT WILSON COMBAT

## Introduction

Thank you for choosing the #324 "G", Colt Govt. .45 ACP Spring Kit by Wilson Combat. This product is designed to enhance the performance of your handgun through highquality, dropin springs. To ensure safe and effective use, please read and adhere to the following safety instructions and guidelines.

## General Safety Guidelines

- Ensure that all safety precautions are followed to minimize risks associated with the use of this product.
- Always treat your firearm as if it is loaded.
- Store all firearm accessories, including this spring kit, out of reach of children and unauthorized users.
- Regularly inspect the spring kit for wear or damage before installation.
- If you experience any issues with your firearm after installation, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Use this spring kit only with the Colt Government .45 ACP model; using it with other models may result in malfunctions or unsafe conditions.
- Be aware of the potential hazards associated with firearms, including accidental discharge and injury.
- Always wear appropriate eye protection when handling firearms or firearm components.
- Ensure that firearms are pointed in a safe direction during installation and handling.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and the magazine is removed.
- Clear the area of any distractions and ensure you have a clean workspace.

#### 2. Disassembly:

- Follow the manufacturer's instructions to disassemble your Colt Govt. .45 ACP safely.
- Pay attention to the order of disassembly to facilitate reassembly.

#### 3. Spring Replacement:

- Remove the existing hammer spring, firing pin spring, and recoil springs.
- Install the new #324 "G" springs:
  - RP 19 lb. hammer spring
  - XP firing pin spring
  - RP 10 lb. and XP 18½ lb. recoil springs
- Ensure that all springs are seated correctly and securely.

#### 4. Reassembly:

- Reassemble the firearm according to the manufacturer's instructions.
- Doublecheck that all components are properly installed and secured.

## 5. Function Check:

- Perform a function check to ensure that the firearm operates correctly with the new springs.
- If any issues arise, consult a qualified gunsmith.

## Usage Instructions

- Always adhere to safe firearm handling practices.
- Regularly maintain your firearm to ensure optimal performance.
- If you notice any unusual behavior or performance after installation, discontinue use and seek professional assistance.

## Disposal Instructions

- Dispose of old springs and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of springs in a manner that could pose a safety risk to others.

## Contact Information for Further Support

For any questions or concerns regarding safety or the performance of the #324 "G" Spring Kit, please consult a qualified gunsmith or contact the manufacturer directly for assistance. Always refer to local laws and regulations regarding firearm modifications and safety practices.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your #324 "G", Colt Govt. .45 ACP Spring Kit. Always prioritize safety and responsibility when handling firearms and their components.
