Introduction

Thank you for choosing the #325 Colt Officers Model Spring Kit by Wilson Combat. This spring kit is designed to enhance the performance of your handgun. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure you are familiar with the basic operation and handling of firearms before using this product.
- Store the spring kit in a cool, dry place, away from children and unauthorized users.
- Inspect the springs and components before each use. Do not use if damaged or worn.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe products or accidents to the authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Ensure the firearm is pointed in a safe direction during installation or maintenance.
- Do not mix different types of springs or components unless specified by the manufacturer.
- Keep the work area clean and organized to prevent accidents.
- If you are unsure about any aspect of the installation or usage, seek professional assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a punch tool and a hammer.
- Ensure the firearm is unloaded and the magazine is removed.

2. Installation Steps

- Remove the existing springs from the firearm according to the manufacturer's instructions.
- Install the RP 21 lb. hammer spring:
 - Insert the new hammer spring into the hammer mechanism.
 - Ensure it is seated properly.
- Install the XP firing pin spring:
 - Place the XP firing pin spring into the firing pin housing.
 - Confirm it is positioned correctly.
- Install the RP 18½ lb. and XP 24 lb. recoil springs:
 - Replace the recoil springs as per the firearm's specifications.
 - Ensure they are installed in the correct orientation.

3. Final Check

- After installation, perform a function check to ensure that the firearm operates correctly.
- Store the firearm safely and securely until ready for use.

Disposal Instructions

- Dispose of old springs and components in accordance with local waste disposal regulations.
- Do not dispose of springs in regular household waste if they are considered hazardous materials.
- Consider recycling options where available.
