BULLET PROOF™ FIRING PIN STOPS FOR 1911 AUTO STEEL, SERIES 80 FIRING PIN STOP Safety Instructions

Introduction

Thank you for choosing the BULLET PROOF™ FIRING PIN STOPS for your 1911 Auto. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper handling and installation.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model: Government, Commander, or Officers.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the firing pin stop for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunction, which can cause injury.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation.
 - Use appropriate tools for installation to prevent damage to the part or firearm.
 - Wear safety glasses when working with firearms to protect your eyes from debris.
- **Age Specific Warning:** This product should only be installed and used by individuals who are knowledgeable about firearm safety and operation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a punch and hammer if needed.

2. Installation:

- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Locate the existing firing pin stop and carefully remove it.
- Inspect the new BULLET PROOF™ firing pin stop for any manufacturing defects.
- Install the new firing pin stop into the slide, ensuring it fits correctly.
- If necessary, perform minor fitting to achieve a proper fit.
- Reassemble the slide and frame of the firearm.

3. Usage:

- After installation, conduct a function check to ensure the firearm operates correctly.
- Test the extractor's relationship to the rim for reliable extraction.
- Regularly check the firing pin stop for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of any old or damaged firing pin stops in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the BULLET PROOF™ FIRING PIN STOPS, please refer to the manufacturer's website or contact their customer service directly.

Please ensure you follow these guidelines carefully to maintain safety and performance while using your BULLET PROOF™ FIRING PIN STOPS. Thank you for your attention to these important safety measures.
