

# 1911 BEAVERTAIL FITTING JIG - BEAVERTAIL FITTING JIG

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Grip Tools](#)

## Takes The Guesswork Out Of Beavertail Fitting

Provides a precise guide for cutting the frame tangs on 1911 Auto frames; makes short work of installing Wilson High-Ride Beavertails. Install on frame and file up to guide; file will not cut the hardened jig. Remove jig and sand or file to fit.

# 1911 Beavertail Fitting Jig Safety Instructions

## Introduction

Thank you for choosing the 1911 Beavertail Fitting Jig. This product is designed to help you accurately cut the frame tangs on 1911 Auto frames and install Wilson HighRide Beavertails efficiently. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the jig is used in a wellventilated area to avoid inhaling dust particles.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the jig.
- Keep the workspace clear of clutter and ensure that all tools are in good condition before starting.
- Be aware of your surroundings and ensure that no one else is in the immediate area while operating the jig.
- Regularly inspect the jig for any signs of wear or damage. Do not use if damaged.

## Specific Safety Precautions for Use

- The jig is designed for use with Wilson and Clark beavertails only. Ensure compatibility before use.
- Do not apply excessive force when filing; let the tool do the work to avoid slipping or injury.
- Avoid using the jig if you are tired or under the influence of drugs or alcohol.
- Keep hands and fingers clear of the filing area to prevent injury.
- If you are unfamiliar with using this type of tool, consider seeking guidance from someone with experience.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the jig, fasteners, and instructions.
- Ensure the frame is clean and free of debris before installation.

### 2. Installation:

- Securely attach the jig to the frame using the provided fasteners.
- Ensure that the jig is aligned correctly with the frame tangs.

### 3. Filing:

- Use a file to shape the frame tangs according to the guide provided by the jig.
- File gently and consistently, checking your progress frequently to avoid overfiling.

### 4. Final Adjustments:

- Once the tangs are shaped, remove the jig carefully.
- Sand or file the area to achieve a perfect fit as needed.

### 5. PostUse Care:

- Clean the jig after use to remove any metal shavings or debris.
- Store the jig in a safe, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the jig and any packaging materials in accordance with local waste disposal regulations.
- If the jig is no longer usable, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information included with your product.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and successful experience with your 1911 Beavertail Fitting Jig.
