

# 1911 DROP-IN BEAVERTAIL GRIP SAFETY - BLUE GOVT. SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## High Ride Comfort For Colts, Without Frame Cutting

Install the comfort and convenience of a high ride beavertail safety on your Colt 1911 Auto without cutting or altering the frame. Deeply curved shape lets the pistol sink farther into the web of your hand for improved recoil control and shooting comfort. Raised pad at the base ensures positive safety engagement even with a high-thumb hold. Wide beavertail eliminates painful hammer bite. All models must be used with Commander-style or bobbed hammers only. Minor fitting of trigger engagement area may be required for proper operation.

## Attributes

# 1911 DROPLN BEAVERTAIL GRIP SAFETY USER MANUAL

## Introduction

Thank you for choosing the 1911 DropIn Beavertail Grip Safety. This product is designed to enhance your shooting experience by providing improved recoil control and comfort. This manual outlines essential safety guidelines and instructions for the proper installation and usage of the grip safety, ensuring compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the firearm is unloaded before installation or handling of the grip safety.
- Always wear appropriate eye and ear protection when handling firearms.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in the vicinity when handling or using the firearm.
- Regularly inspect the grip safety for wear and tear. Replace if damaged.
- Follow all local laws and regulations regarding firearm modifications and safety devices.

## Specific Safety Precautions for Use

- This grip safety is designed for use with Commanderstyle or bobbed hammers only.
- Minor fitting of the trigger engagement area may be required for proper operation. Ensure this is done by a qualified gunsmith if you are not experienced.
- The beavertail design eliminates hammer bite, but be mindful of your grip to avoid any unintended disengagement of the safety.
- Always ensure that the grip safety is functioning correctly before using the firearm. Test it in a safe environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools: screwdriver, file, and any other tools required for fitting.

### 2. Installation:

- Remove the existing grip safety from the Colt 1911 Auto.
- Align the new beavertail grip safety with the frame of the firearm.
- If necessary, file the trigger engagement area to ensure a proper fit. This should be done carefully to avoid excessive modification.
- Secure the grip safety in place, ensuring that it engages positively with the hammer and trigger mechanism.
- Reassemble the firearm and ensure all parts are functioning correctly.

### 3. Testing:

- After installation, test the grip safety by attempting to fire the firearm without engaging the grip safety. The firearm should not discharge.
- Check that the grip safety engages properly with a highthumb hold.

#### 4. Usage:

- When using the firearm, maintain a proper grip to ensure the grip safety is engaged at all times.
- Be aware of your hand position to prevent any accidental disengagement of the safety.

## Disposal Instructions

- Dispose of the grip safety in accordance with local regulations.
- If the grip safety is damaged and cannot be repaired, consider recycling it if possible, or dispose of it as general waste.

## Contact Information for Further Support

For any questions or concerns regarding the installation or use of the 1911 DropIn Beavertail Grip Safety, please consult a qualified gunsmith or reach out to the manufacturer directly.

## Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of the 1911 DropIn Beavertail Grip Safety. Always prioritize safety and compliance with local regulations when handling firearms. Thank you for your attention to detail and commitment to responsible firearm ownership.
