

# 1911 DROP-IN BEAVERTAIL GRIP SAFETY - WILSON COMBAT BLUE COMM. SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## High Ride Comfort For Colts, Without Frame Cutting

Install the comfort and convenience of a high ride beavertail safety on your Colt 1911 Auto without cutting or altering the frame. Deeply curved shape lets the pistol sink farther into the web of your hand for improved recoil control and shooting comfort. Raised pad at the base ensures positive safety engagement even with a high-thumb hold. Wide beavertail eliminates painful hammer bite. All models must be used with Commander-style or bobbed hammers only. Minor fitting of trigger engagement area may be required for proper operation.

# Safety Instruction Guide for 1911 DROPIN BEAVERTAIL GRIP SAFETY

## Introduction

Thank you for choosing the 1911 DROPIN BEAVERTAIL GRIP SAFETY by Wilson Combat. This product is designed to enhance your shooting experience by providing a high ride beavertail safety for your Colt 1911 Auto. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded when installing or adjusting the beavertail grip safety.
- Wear appropriate eye and ear protection when using firearms.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This beavertail grip safety is designed for use with Commanderstyle or bobbed hammers only. Using it with other types of hammers may result in malfunction or injury.
- Minor fitting of the trigger engagement area may be required for proper operation. Ensure that this fitting is performed by a qualified gunsmith if you are not experienced.
- The beavertail safety is designed to eliminate hammer bite. However, ensure that your grip does not inadvertently engage the hammer while firing.
- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Always ensure that the safety is fully engaged before handling the firearm.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip safety from your Colt 1911 Auto.
- Align the 1911 DROPIN BEAVERTAIL GRIP SAFETY with the frame and ensure proper fit.
- If necessary, perform minor fitting of the trigger engagement area to ensure proper operation.
- Secure the grip safety in place according to the manufacturer's instructions.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 2. Usage

- Grip the firearm firmly, ensuring that your hand is positioned correctly to engage the beavertail safety.
- The raised pad at the base of the beavertail should be pressed firmly with your hand to ensure positive safety engagement.
- Practice using the grip safety with dummy rounds to become familiar with its operation before live fire.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it safely.

## **Contact Information for Further Support**

For any inquiries or further support regarding the 1911 DROPIN BEAVERTAIL GRIP SAFETY, please contact your local dealer or visit the Wilson Combat website for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your 1911 DROPIN BEAVERTAIL GRIP SAFETY. Thank you for your commitment to safety and responsible firearm ownership.
