## **Blued Or Stainless; Elegant, Classy; Works With Either Hand;The Choice Of Professional Shooters & Pistolsmiths**

Gracefully curved, grooved, extended safety for the 1911 and its copies makes this fine gun even better. Left and right handers benefit from the extra length - it's easier to find and release - while the ambidextrous feature makes "weak hand" shooting simpler. Beautifully contoured and finished, a first class addition to any 1911. Slightly oversized sear stud allows precise gunsmith fitting.

# 1911 Extended Ambidextrous Thumb Safety

## Safety Instructions

### Introduction

Thank you for choosing the 1911 Extended Ambidextrous Thumb Safety. This product is designed to enhance the functionality of your 1911 firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain your safety device properly.

### General Safety Guidelines

To ensure safe use of the 1911 Extended Ambidextrous Thumb Safety, please adhere to the following guidelines:

- Always ensure your firearm is unloaded before installing or handling the thumb safety.
- Familiarize yourself with the operation of your firearm and the thumb safety.
- Always handle firearms with care and respect, following all local laws and regulations.
- Keep the firearm and its components out of reach of children and unauthorized users.
- Regularly check for wear or damage to the thumb safety and other firearm components.
- Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

When using the 1911 Extended Ambidextrous Thumb Safety, please observe the following precautions:

- Do not attempt to modify or alter the thumb safety in any way.
- Ensure the thumb safety is fully engaged when not in use to prevent accidental discharge.
- Practice using the thumb safety with an unloaded firearm to become familiar with its operation.
- Do not rely solely on the thumb safety as a substitute for safe firearm handling practices.
- Always ensure that the firearm is pointed in a safe direction when manipulating the thumb safety.

### Instructions for Installation and Usage

To ensure proper installation and usage of the 1911 Extended Ambidextrous Thumb Safety, follow these steps:

#### Installation

1. **Prepare the Firearm:** Ensure the firearm is completely unloaded and pointed in a safe direction.
2. **Remove the Old Safety:** If applicable, carefully remove the existing thumb safety following your firearm's manual.
3. **Install the New Safety:**
  - Align the 1911 Extended Ambidextrous Thumb Safety with the safety slot on the firearm.
  - Insert the safety into the slot and ensure it fits securely.
  - If necessary, use a gunsmith to ensure precise fitting of the slightly oversized sear stud.
4. **Test the Installation:** After installation, confirm that the thumb safety engages and disengages smoothly without obstruction.

#### Usage

1. **Engaging the Safety:** To engage the thumb safety, push it down fully until you hear a click. This will prevent the firearm from being fired.
2. **Disengaging the Safety:** To disengage the thumb safety, push it up with your thumb until it is fully in the "off" position. Ensure you are prepared to fire when doing so.
3. **Regular Checks:** Periodically check the thumb safety for proper function and ensure it remains securely

fastened.

## **Disposal Instructions**

When disposing of the 1911 Extended Ambidextrous Thumb Safety, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding firearm components.
- If the thumb safety is damaged or no longer usable, consider contacting a local gunsmith or firearms dealer for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the 1911 Extended Ambidextrous Thumb Safety, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you have questions about installation, usage, or safety concerns.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 Extended Ambidextrous Thumb Safety. Always prioritize safety and responsible firearm handling.
