# Safety Instruction Guide for Beretta Trigger Conversion Unit Reduced Power Trigger Unit

## Introduction

Thank you for choosing the Beretta Trigger Conversion Unit Reduced Power Trigger Unit. This product is designed to enhance your shooting experience by providing a smoother trigger pull and improved trigger control. Please read this safety instruction guide carefully to ensure safe and proper use of this product.

## General Safety Guidelines

- Always handle firearms with care and follow all safety rules and regulations.
- Ensure that the firearm is unloaded before installing or handling the trigger conversion unit.
- Use only in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the trigger conversion unit for wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that you are using this product only with compatible models: Beretta 92, 96, 96D, Centurion, and Taurus PT92/96.
- This product does not fit late production guns with polymer triggers.
- Do not exceed factory weight specifications or use with modified firearms.
- Always wear appropriate eye and ear protection when using firearms.
- Avoid using the firearm in adverse weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch tool for installation.

### 2. Installation:

- Remove the factory mousetrap trigger spring from your firearm.
- Carefully install the Beretta Trigger Conversion Unit by following these steps:
  - Align the captured spring unit with the trigger assembly.
  - Use the punch tool to secure the unit in place.
  - Doublecheck that the unit is properly seated and secured.

### 3. PostInstallation Check:

- Test the trigger pull to ensure proper function.
- Ensure there are no obstructions or loose parts.

### 4. Usage:

- Always perform a function check before using the firearm.
- If any issues arise during use, discontinue use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Beretta Trigger Conversion Unit!
