## WOLFF Safety Instruction Guide

### Introduction

Thank you for choosing the WOLFF Firing Pin Safety Block Spring. This product is designed to replace weak or broken firing pin safety springs in all Series 80 and 90 pistols equipped with a firing pin safety block. Proper installation and usage of this product will ensure the safe operation of your firearm. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

### General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your pistol.
- Store your firearm and its components securely to prevent unauthorized access, especially by children.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Only use this firing pin safety block spring in compatible models: Colt 1911, 1911A1, 1991, Government, MKIV, Gold Cup, Commander, and Officers model.
- Ensure that the firearm is completely unloaded before beginning installation.
- Use proper tools and equipment to avoid injury during installation.
- Do not modify the firing pin safety block spring in any way.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: screwdriver, cleaning cloth, and any other tools specified by the firearm's manual.

#### 2. Removal of Old Spring:

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the firing pin safety block spring and carefully remove it.
- Inspect the area for any debris or damage.

#### 3. Installation of New Spring:

- Take the new WOLFF firing pin safety block spring from its packaging.
- Insert the new spring into the designated area, ensuring it is seated correctly.
- Reassemble the firearm as per the manufacturer's instructions.

#### 4. Testing:

- After reassembly, conduct a function check to ensure the firearm operates correctly.
- Confirm that the firing pin safety block is functioning properly before using the firearm.

## **5. Usage:**

- When using the firearm, adhere to all safety practices and guidelines.
- Regularly check the condition of the firing pin safety block spring, especially after extensive use.

## **Disposal Instructions**

- Dispose of the old firing pin safety block spring responsibly.
- Follow local regulations for the disposal of metal components.
- Do not dispose of the spring in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the WOLFF Firing Pin Safety Block Spring, please consult with a qualified gunsmith or contact the manufacturer directly. Ensure that you have the product details available for reference.

By following these guidelines and precautions, you can help ensure your safety and the safe operation of your firearm. Thank you for your attention to these important safety instructions.
