

GUIDE ROD & SPRINGS - WOLFF BLACK GUIDE ROD KIT

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Improves Performance; Prevents Spring Bind

Machined, full-length, stainless steel, guide rod replaces the factory, plastic part for smooth, dependable cycling. Use with the included, 11 lb., standard-weight, recoil spring, or the factory-original, dual, recoil springs. Included, firing pin return spring provides 20 - 25% extra power to quickly and positively return the firing pin to battery after ignition.

Safety Instruction Guide for GUIDE ROD & SPRINGS WOLFF BLACK GUIDE ROD KIT

Introduction

Thank you for choosing the GUIDE ROD & SPRINGS WOLFF BLACK GUIDE ROD KIT. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this guide.
- Always handle firearms and related components with care and adhere to all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly check the product for any signs of wear or damage before use.
- Follow all local laws and regulations concerning firearms and their components.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to malfunctions, resulting in injury.
- **Installation Warning:** Ensure the firearm is unloaded and the safety is engaged before beginning installation.
- **Use Warning:** Only use the specified recoil spring with the guide rod. Using incompatible parts may lead to malfunction.
- **Maintenance Reminder:** Regularly inspect the guide rod and springs for wear and replace as necessary to maintain optimal performance.
- **Shooting Range Safety:** Always follow established safety rules at shooting ranges, including the use of eye and ear protection.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather all necessary tools for installation.

2. Installation Steps:

- Remove the factory plastic guide rod from the firearm.
- Insert the WOLFF black guide rod into the recoil spring housing.
- Attach the included 11 lb. recoil spring onto the guide rod.
- If applicable, replace the firing pin return spring with the included extra power firing pin spring.
- Reassemble the firearm according to the manufacturer's instructions.

3. Usage Instructions:

- After installation, conduct a function check to ensure the firearm operates correctly.
- Store the firearm in a safe and secure location when not in use.
- Regularly clean and maintain the guide rod and springs to ensure longevity and reliable performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GUIDE ROD & SPRINGS WOLFF BLACK GUIDE ROD KIT, please refer to the designated EU contact point provided by the manufacturer.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your new GUIDE ROD & SPRINGS WOLFF BLACK GUIDE ROD KIT. Always prioritize safety and responsibility when handling firearms and their components. Thank you for your attention to these important instructions.
