RUGER® 10/22® Trigger Springs Wolff Reduced Power Trigger Spring Safety Instructions

Introduction

Thank you for choosing the RUGER® 10/22® Trigger Springs Wolff Reduced Power Trigger Spring. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before use.

General Safety Guidelines

- Always handle the product with care and ensure you are in a safe environment.
- Ensure that you are of legal age to purchase and use this product.
- Keep all components out of reach of children and vulnerable individuals.
- Regularly inspect your trigger springs for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction of the trigger mechanism.
- Using the product in a firearm that is not compatible may result in injury.

- **To Avoid Hazards:**

- Ensure that the firearm is unloaded before beginning installation.
- Use only the specified RUGER® 10/22® model for this trigger spring.
- Follow all local laws and regulations regarding firearm modifications.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep it away from minors.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Disassemble the firearm according to the manufacturer's instructions.
3. Remove the existing trigger spring carefully.
4. Install the Wolff Reduced Power Trigger Spring by aligning it correctly in the trigger mechanism.
5. Reassemble the firearm following the manufacturer's guidelines.
6. Conduct a function check to ensure proper operation before use.

- **Usage Tips:**

- After installation, practice safe handling and operation of your firearm.
- Be aware of the changes in trigger pull weight and adjust your shooting technique accordingly.
- Regularly check the installation to ensure that everything remains secure and functional.

Disposal Instructions

- Dispose of any old or unused springs and components in accordance with local regulations.
- Do not dispose of these items in regular household waste. Check for designated recycling or hazardous waste programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® 10/22® Trigger Springs Wolff Reduced Power Trigger Spring, please reach out to your local retailer or consult with a qualified gunsmith. Always prioritize safety and compliance with local laws.

By following these guidelines, you can ensure a safe and enjoyable experience with your RUGER® 10/22® Trigger Springs Wolff Reduced Power Trigger Spring. Thank you for your attention to safety!
