# Safety Instruction Guide for 1911 Extra Power Magazine Springs

## Introduction

Thank you for purchasing the 1911 Extra Power Magazine Springs. These springs are designed to enhance the performance of your magazine by providing improved feeding capabilities. It is essential to follow the safety instructions provided in this guide to ensure safe and effective usage of this product.

## General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the magazine springs.
- Always use the magazine springs in accordance with the manufacturer's specifications.
- Regularly inspect the magazine springs for any signs of wear or damage.
- Store the magazine springs in a cool, dry place away from direct sunlight.
- Keep the magazine springs out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the 8round springs in compatible magazines, specifically the newer Government/Commander and Shooting Star magazines.
- Do not attempt to use the 8round springs in Sig GSR magazines, as they will not allow for 8round capacity.
- The 7round springs are rated for 11 lbs and are designed for use in Government/Commander and Officers ACP models only, excluding Wilson Combat models.
- Avoid overloading the magazine beyond its specified capacity, as this may lead to malfunctions or safety hazards.
- Always wear appropriate eye protection when handling or using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Remove the old springs from the magazine.
- Insert the new 1911 Extra Power Magazine Springs into the magazine, ensuring they are seated properly.
- Reassemble the magazine and ensure it functions correctly before use.

### 2. Usage:

- Load the magazine with ammunition according to the specified capacity.
- Insert the magazine into the firearm and ensure it is securely locked in place.
- Always check the firearm's chamber to confirm it is clear before handling.
- When firing, maintain proper firearm handling practices to ensure safety.

## Disposal Instructions

- Dispose of any old or damaged magazine springs responsibly, following local regulations for hazardous materials.

- Do not dispose of springs in regular household waste.
- Consider contacting local recycling programs for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use, installation, or safety of the 1911 Extra Power Magazine Springs, please refer to the manufacturer or authorized dealers for assistance. Always ensure that you are using the product in accordance with the provided safety guidelines.

Thank you for prioritizing safety while using your firearm accessories.
