

# REDUCED POWER HAMMER SPRINGS - WOLFF 17LB. REDUCED POWER HAMMER SPRING

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Springs](#)

## For A Smooth Action, Fast Follow-Up Shots, Helps Improve Accuracy

Give your New Single Six®, New Blackhawk®, Super Blackhawk®, Maximum Blackhawk®, Bisley™, Large Frame Vaquero® and Bisley Vaquero a lighter cocking pull and ultra-smooth trigger with these easy-to-install, high-grade replacements for the factory springs. No time-consuming honing, filing, and other reworking of parts. These precision action springs are carefully manufactured for easy fitting to your revolver with only minor disassembly. Substantially lighter than factory, standard 23-lb. springs for easier cocking and faster follow-up shots.

# Safety Instruction Guide for REDUCED POWER HAMMER SPRINGS WOLFF 17LB

## Introduction

Thank you for choosing the REDUCED POWER HAMMER SPRINGS WOLFF 17LB. These highgrade replacement springs are designed to provide a lighter cocking pull and ultrasmooth trigger for your New Single Six®, New Blackhawk®, Super Blackhawk®, Maximum Blackhawk®, Bisley™, Large Frame Vaquero®, and Bisley Vaquero. This guide contains essential safety instructions to ensure the safe use and installation of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Use the product only as intended and in accordance with the manufacturer's specifications.
- Keep all components and tools away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your firearm before installing the hammer springs.
- Use appropriate protective gear, such as safety glasses, while working on your firearm.
- Avoid using excessive force during installation to prevent damage to components.
- Do not modify the hammer springs or any related components beyond the manufacturer's specifications.
- If you are not confident in performing the installation, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components before starting the installation.
- Make sure the firearm is completely unloaded and pointed in a safe direction.

### 2. Disassembly

- Follow the manufacturer's guidelines to disassemble your firearm safely.
- Remove the factory hammer spring carefully, noting its orientation and placement.

### 3. Installation of Reduced Power Hammer Springs

- Take the new Wolff Reduced Power Hammer Spring and compare it with the factory spring to ensure proper sizing.
- Install the new hammer spring in the same orientation as the factory spring.
- Ensure that the spring is seated properly in its designated location.

### 4. Reassembly

- Reassemble your firearm according to the manufacturer's instructions.
- Doublecheck that all components are securely in place.

### 5. Testing

- Once reassembled, perform a function check to ensure that the firearm operates correctly with the new hammer spring.
- Test the trigger pull in a safe environment, ensuring that it functions smoothly and reliably.

## **Disposal Instructions**

- Dispose of any old or unused springs in accordance with local regulations.
- Do not dispose of springs in regular household waste; instead, check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For additional support or inquiries regarding the REDUCED POWER HAMMER SPRINGS WOLFF 17LB, please refer to the manufacturer's website or customer service resources. Always ensure you have the latest information regarding safety recalls and product updates.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your REDUCED POWER HAMMER SPRINGS WOLFF 17LB. Thank you for your attention to safety and compliance.
