

REDUCED POWER HAMMER SPRINGS - WOLFF 19LB. REDUCED POWER HAMMER SPRING

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Springs](#)

For A Smooth Action, Fast Follow-Up Shots, Helps Improve Accuracy

Give your New Single Six®, New Blackhawk®, Super Blackhawk®, Maximum Blackhawk®, Bisley™, Large Frame Vaquero® and Bisley Vaquero™ a lighter cocking pull and ultra-smooth trigger with these easy-to-install, high-grade replacements for the factory springs. No time-consuming honing, filing, and other reworking of parts. These precision action springs are carefully manufactured for easy fitting to your revolver with only minor disassembly. Substantially lighter than factory, standard 23-lb. springs for easier cocking and faster follow-up shots.

User Manual for REDUCED POWER HAMMER SPRINGS WOLFF 19LB

Introduction

Thank you for purchasing the REDUCED POWER HAMMER SPRINGS WOLFF 19LB. This product is designed to enhance the performance of your New Single Six®, New Blackhawk®, Super Blackhawk®, Maximum Blackhawk®, Bisley™, Large Frame Vaquero®, and Bisley Vaquero revolvers. Please read this manual carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and consult a qualified gunsmith.
- Always follow local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Use only with compatible models: Single Six, Blackhawk, Super Blackhawk, Super Blackhawk Hunter, Maximum Blackhawk, Bisley, and large frame Vaquero.
- Always ensure the firearm is unloaded before installing or replacing any parts.
- Use appropriate tools and follow the installation instructions carefully to avoid injury or damage.
- Wear safety glasses when working on or around firearms to protect your eyes from debris.
- Do not attempt to modify the springs or any other components beyond the instructions provided.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary tools: a screwdriver, and any other tools specified in your firearm's manual.

2. Installation:

- Disassemble the revolver according to the manufacturer's instructions.
- Remove the factory hammer spring carefully.
- Install the REDUCED POWER HAMMER SPRING by following these steps:
 - Align the new spring in the same position as the factory spring.
 - Ensure that it is seated properly and securely.

3. Reassembly:

- Carefully reassemble the revolver, ensuring all parts are correctly fitted.
- Doublecheck that all screws and components are tightened according to the manufacturer's specifications.

4. Testing:

- Once reassembled, conduct a function check to ensure the revolver operates correctly.
- If you experience any issues, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or unused springs and parts in accordance with local regulations.
- Do not dispose of in regular household waste.
- Check with local authorities for proper disposal methods for firearm components.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please consult with a qualified gunsmith or your local firearms dealer. Always ensure that you are following the latest guidelines and regulations.

By adhering to these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your REDUCED POWER HAMMER SPRINGS WOLFF 19LB. Thank you for your commitment to safety and responsible firearm ownership.
