

# RUGER® 10/22® RIFLE TUNE-UP KITS - REDUCED POWER TUNE-UP PAK

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Springs](#)

## Kits to Improve Functioning

Reduced Power Tune-Up Pak fits 10/22® in all calibers. Includes an extra power hammer spring, reduced power trigger spring, and reduced power sear spring to improve let-off and reduce trigger pull, perfect for competition. Tune-Up Pak fits all calibers of 10/22®. Includes an extra power hammer spring, extra power trigger spring, and reduced power sear spring for a clean, crisp trigger pull, perfect for hunting. For an even smoother, lighter-feeling trigger pull, install the reduced power (RP) trigger/sear spring. Tune-Up Paks do not include recoil springs.

# RUGER® 10/22® RIFLE TUNEUP KITS REDUCED POWER TUNEUP PAK Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® 10/22® RIFLE TUNEUP KITS REDUCED POWER TUNEUP PAK. This guide provides essential safety instructions and usage information to ensure the safe and effective operation of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that you are in a safe environment when handling or modifying your firearm.
- Keep the product out of reach of children and unauthorized users.
- Use only the specified parts and components as outlined in this guide.
- Regularly inspect your firearm and the installed components for wear and damage.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the TuneUp Pak may lead to accidental discharge or firearm malfunction.
- **Avoiding Hazards:**
  - Ensure that the firearm is unloaded before beginning any installation.
  - Follow all installation instructions carefully to avoid incorrect assembly.
  - Use appropriate tools and wear safety gear when installing or modifying your firearm.
- **Age Warning:** This product is intended for use by individuals of legal age to own and operate firearms. Ensure that all users are trained and knowledgeable about firearm safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary tools, including a screwdriver and any other tools specified in the installation instructions.

### 2. Installation:

- Remove the existing trigger spring, sear spring, and hammer spring from your 10/22®.
- Install the extra power hammer spring according to the manufacturer's instructions.
- Replace the trigger spring with the reduced power trigger spring.
- Install the reduced power sear spring to enhance trigger pull.
- Ensure that all components are seated properly and securely.

### 3. PostInstallation Check:

- Perform a function check of the firearm to ensure all parts are operating correctly.
- Test the trigger pull in a safe environment to confirm improved performance.

### 4. Usage:

- Use the firearm in accordance with the manufacturer's guidelines and local laws.

- Regularly maintain and clean your firearm to ensure optimal performance.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please reach out to your local firearm dealer or manufacturer. Always ensure that you are following the latest safety guidelines and regulations.

This safety instruction guide is designed to help you use the RUGER® 10/22® RIFLE TUNEUP KITS REDUCED POWER TUNEUP PAK safely and effectively. Please keep this document for future reference. Stay safe and responsible while enjoying your firearm.
