

SIG SAUER EXTRA POWER MAGAZINE SPRINGS - WOLFF +10% POWER SPRING, 3-PAK FITS SIG P220/BROWNING BDA PF

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Springs](#)

Better Feeding For Your Semi-Auto

Increased pressure stabilizes the follower and improves feeding, especially on high-capacity magazines. SIG P220 provides 10% more power in your older .45 ACP Sig P220 and is the factory standard spring in newer P220s with a green recoil spring. Also fits the Browning BDA .45 ACP. Separate models available for magazines with a metal floorplate (MF) or a plastic floorplate (PF). Will not fit 8-round magazines made by Mec-Gar.

+10% Power Spring, 3-pak fits SIG P220/Browning BDA PF

Safety Instruction Guide for SIG SAUER EXTRA POWER MAGAZINE SPRINGS WOLFF +10% POWER SPRING, 3PAK

Introduction

Thank you for choosing the SIG SAUER EXTRA POWER MAGAZINE SPRINGS WOLFF +10% POWER SPRING, 3PAK. This guide provides important safety information and instructions for the proper use and maintenance of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that all safety instructions are followed during the use of this product.
- Always handle firearms and related accessories with care and responsibility.
- Store the magazine springs in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine springs for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- This product is designed specifically for use with SIG P220 and Browning BDA PF models only.
- Do not attempt to use these springs with any other brands or models, as this may lead to malfunction or injury.
- Ensure that the magazine is completely unloaded before installing or replacing the springs.
- Always wear appropriate eye protection when handling firearms and related accessories.
- Do not exceed the recommended power rating of the springs to avoid potential damage or safety hazards.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded and safe.
- Gather necessary tools for installation, such as a small screwdriver or punch.

2. Installation Process

- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Carefully remove the old springs from the magazine.
- Install the new Wolff +10% power springs into the magazine, ensuring they are seated properly.
- Reassemble the magazine, making sure all components are secure and functional.

3. Usage Instructions

- Once the magazine is reassembled, insert it back into the firearm.
- Conduct a function check to ensure proper operation.
- Avoid using the magazine in adverse conditions that could affect performance.

Disposal Instructions

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact your local dealer. Ensure that you have product details at hand for efficient support.

By following these guidelines, you can ensure the safe use of the SIG SAUER EXTRA POWER MAGAZINE SPRINGS WOLFF +10% POWER SPRING, 3PAK. Your safety is our priority, and we appreciate your attention to these instructions.
