Safety Instruction Guide for AR15/M16 Trigger Function Pak

Introduction

Thank you for purchasing the AR15/M16 Trigger Function Pak by WOLFF. This product is designed to enhance the performance of your firearm by providing a reduced power trigger spring and a disconnect spring. It is essential to follow all safety guidelines to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure you are in a safe environment when handling your firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and components for wear and damage.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure you have adequate training and knowledge of firearm safety before using this product.
- Use only compatible firearms (AR15, M16, M4, and their variants) for installation.
- Do not modify the trigger function pak in any way.
- If you experience any malfunctions or irregularities, stop using the firearm and consult a qualified gunsmith.
- Be aware of the potential hazards associated with improper installation, including accidental discharge.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and in a safe condition before beginning installation.
- Gather necessary tools: a punch tool and a small hammer.

2. Installation Steps

- Remove the existing trigger and disconnecter springs from your firearm.
- Carefully insert the reduced power trigger spring into the trigger assembly.
- Install the disconnecter spring in the designated area, ensuring it is seated correctly.
- Reassemble the trigger assembly and reinstall it into the firearm.
- Perform a function check to ensure the trigger operates smoothly and safely.

3. Usage

- After installation, familiarize yourself with the new trigger function.
- Conduct livefire testing in a controlled environment to assess performance.
- Always follow standard safety practices when operating your firearm.

Disposal Instructions

- Dispose of any old springs or components in accordance with local regulations.
- Never dispose of firearm components in regular household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 Trigger Function Pak, please consult the product packaging or visit the manufacturer's website for further support. Ensure you have the product details on hand when seeking assistance.

Stay safe and enjoy your enhanced shooting experience with the AR15/M16 Trigger Function Pak!
