# RECOIL SPRINGS FOR GLOCK® 17, 17L, 20, 21, 22 WOLFF 14 LB. SPRING KIT Safety Instructions

## Introduction

Thank you for purchasing the RECOIL SPRINGS FOR GLOCK® 17, 17L, 20, 21, 22 WOLFF 14 LB. SPRING KIT. This product is designed to replace the factory spring in your Glock pistol, providing enhanced recoil function. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children.
- Ensure you are familiar with local laws regarding firearm modifications.
- Use only manufacturerapproved parts and accessories to ensure safety and reliability.
- Regularly inspect your firearm for wear and tear.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting to install the recoil spring kit.
- Wear appropriate safety gear, including eye protection, while handling firearms.
- Avoid using excessive force when installing the recoil spring to prevent damage.
- Keep hands and fingers clear of the slide and other moving parts during installation and use.
- Do not modify the recoil spring kit or any part of your firearm unless you are a qualified gunsmith.
- If you experience any malfunctions, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch tool and a small hammer.

### 2. Removing the Factory Spring:

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the factory recoil spring and striker spring.

### 3. Installing the New Springs:

- Take the noncaptive recoil spring from the kit and align it with the spring guide.
- Insert the new recoil spring into the slide, ensuring it is seated correctly.
- Next, replace the striker spring by inserting it into the striker assembly.

### 4. Reassembling the Firearm:

- Carefully reassemble your firearm by following the manufacturer's disassembly instructions in reverse order.
- Ensure that all components are correctly aligned and secured.

## **5. Testing the Firearm:**

- Once reassembled, conduct a function test in a safe environment.
- Check for proper cycling and operation of the firearm with the new springs.

## **Disposal Instructions**

- Dispose of the old recoil spring and striker spring in accordance with local regulations.
- Do not discard springs in regular household waste. Instead, take them to a designated recycling facility if available.

## **Contact Information for Further Support**

For any questions regarding installation or safety concerns, please consult with a qualified gunsmith or contact the manufacturer directly. Ensure you have the product details on hand for reference.

By following these safety instructions, you can help ensure a safe and effective use of the RECOIL SPRINGS FOR GLOCK® 17, 17L, 20, 21, 22 WOLFF 14 LB. SPRING KIT. Thank you for prioritizing safety in your firearm practices.
