# SIG SAUER P230 Hammer Spring Safety Instructions

## Introduction

Thank you for choosing the SIG SAUER P230 Hammer Spring from WOLFF. This product is designed to enhance the performance of your firearm. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that you are in a secure environment when handling your firearm.
- Store your firearm and ammunition separately and securely.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- This hammer spring is intended for use only in the SIG P230 with the specified serial numbers.
- Ensure that the firearm is unloaded before attempting to install or replace the hammer spring.
- Use only the recommended tools and equipment for installation.
- Do not attempt to modify the hammer spring or use it in any other firearm model.
- If you experience any issues with the hammer spring, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools: a screwdriver and any other tools recommended by the manufacturer.

### 2. Installation:

- Remove the slide from the firearm according to the manufacturer's instructions.
- Locate the hammer spring assembly.
- Carefully remove the existing hammer spring, noting its orientation.
- Install the new WOLFF hammer spring (18 lb) in the same orientation as the original.
- Reassemble the firearm according to the manufacturer's instructions.

### 3. Usage:

- After installation, perform a function check to ensure the firearm operates correctly.
- Test the firearm in a safe and controlled environment, following all safety precautions.
- Monitor the performance of the hammer spring during use and be alert for any unusual behavior.

## Disposal Instructions

- Dispose of any old or unused hammer springs and components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.

- Contact your local waste management authority for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the SIG SAUER P230 Hammer Spring, please consult your local dealer or a qualified gunsmith. Ensure you have the product details ready for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SIG SAUER P230 Hammer Spring. Always prioritize safety and responsibility when handling firearms.
