TAURUS 669 SERIES SHOOTERS PAK 'A' WOLFF 669 SHOOTERS PAK Safety Instruction Guide

Introduction

Thank you for purchasing the TAURUS 669 SERIES SHOOTERS PAK 'A' WOLFF 669 SHOOTERS PAK. This kit is designed to enhance the performance of your firearm safely and effectively. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Ensure proper training and understanding of firearm operation before use.
- Regularly inspect your firearm and accessories for any signs of damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

Before using the TAURUS 669 SERIES SHOOTERS PAK, please consider the following safety precautions:

- Ensure that you are of legal age and have the necessary permits to use this product.
- Use only in firearms specified as compatible: 65, 66, 669, 689, 80, 82, and 83.
- Only use the springs provided in this kit for their intended purposes.
- Do not modify the springs or any other components in ways not recommended by the manufacturer.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the area around you is clear of individuals and obstructions when firing.

Instructions for Installation and Usage

Follow these instructions carefully for the safe installation and usage of your TAURUS 669 SERIES SHOOTERS PAK:

1. Preparation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Work in a clean, welllit area free from distractions.

2. Installation of Hammer Spring:

- Remove the grip panels to access the hammer mechanism.
- Identify the existing hammer spring and carefully remove it.
- Select the desired reduced power hammer spring (10 lb., 11 lb., or 12 lb.) from the kit.
- Install the new hammer spring in the reverse order of removal, ensuring it is seated properly.

3. Installation of Trigger Return Spring:

- Locate the trigger assembly and remove it from the firearm.
- Remove the existing trigger return spring (if applicable).

- Select the reduced power trigger return spring (10 lb. or 11 lb.) from the kit.
- Install the new trigger return spring, ensuring it is correctly positioned.

4. Reassembly:

- Reattach the grip panels securely.
- Conduct a function check to ensure the firearm operates correctly with the new springs.

5. Usage:

- Once installed, test the firearm in a safe environment to ensure proper function.
- Monitor the performance of the firearm regularly and check for any unusual behavior.

Disposal Instructions

When disposing of the TAURUS 669 SERIES SHOOTERS PAK or any of its components, please follow these guidelines:

- Dispose of all components in accordance with local laws and regulations.
- Do not dispose of firearms or ammunition in regular waste.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the TAURUS 669 SERIES SHOOTERS PAK, including safety concerns or product support, please reach out to your local distributor or manufacturer. Ensure that you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TAURUS 669 SERIES SHOOTERS PAK 'A' WOLFF 669 SHOOTERS PAK. Stay safe and responsible.
