MAUSER TUNEUP KIT & INDIVIDUAL SPRINGS WOLFF KIT 18052 Safety Instruction Guide

Introduction

Thank you for choosing the MAUSER TUNEUP KIT & INDIVIDUAL SPRINGS WOLFF KIT 18052. This guide provides important safety instructions and guidelines to ensure the safe use and installation of this product. Please read this document carefully before using the kit to ensure a safe and effective experience.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Mauser 1898 military or sporting action before using this kit.
- Always wear appropriate safety gear, including eye protection, when handling and installing the springs.
- Keep the kit and all components out of reach of children and unauthorized persons.
- Inspect all components for damage before installation. Do not use damaged parts.
- Follow all local laws and regulations regarding firearm modifications and safety.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the springs may lead to malfunction or unintended discharge of the firearm.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before beginning any installation or maintenance work.
 - Use appropriate tools and follow the manufacturer's instructions for installation.
 - Do not attempt to modify the springs or any other components beyond the intended use.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and competent to handle firearms.

Instructions for Installation and Usage

1. **Preparation:**
 - Gather all necessary tools, including screwdrivers and pliers.
 - Ensure you have a clean and welllit workspace.
2. **Installation Steps:**
 - Remove the bolt from the Mauser 1898 action according to the manufacturer's instructions.
 - Carefully remove the existing springs, noting their placement for reassembly.
 - Install the new 22 lb. striker spring in place of the old 19 lb. spring.
 - Replace the bolt sleeve stop spring, floorplate catch spring, and sear spring as per the original configuration.
 - Ensure all springs are seated properly and securely.
3. **PostInstallation Check:**
 - Reassemble the firearm and perform a function check to ensure proper operation.
 - If any issues are noted, consult a qualified gunsmith before further use.

Disposal Instructions

- Dispose of any old springs and components in accordance with local regulations.
- Do not dispose of springs in regular household waste. Contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MAUSER TUNEUP KIT & INDIVIDUAL SPRINGS WOLFF KIT 18052, please consult the manufacturer's website or customer service for guidance.

By following these safety instructions, you can ensure a safe and effective experience with your MAUSER TUNEUP KIT & INDIVIDUAL SPRINGS WOLFF KIT 18052. Always prioritize safety and compliance with local laws when handling firearms.
