M1 CARBINE TUNEUP SPRING KIT WOLFF KIT

18055 Safety Instruction Guide

Introduction

Thank you for purchasing the M1 Carbine TuneUp Spring Kit by Wolff. This kit is designed to enhance the performance of your U.S. M1 Carbine (except Universal Model Carbine) by providing essential springs for improved functionality. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Keep all components out of reach of children and pets.
- Inspect all parts before installation for any signs of damage or wear.
- Ensure that the firearm is unloaded and in a safe condition before beginning any maintenance or installation.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunction of the firearm. Using damaged or worn springs can result in unsafe operation.
- **Avoiding Hazards:** Only use the springs as intended for the U.S. M1 Carbine. Do not modify any springs or components. Ensure that all springs are correctly seated and secured during installation.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision. Ensure that all users are trained in the safe handling and operation of firearms.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Disassemble the M1 Carbine according to the manufacturer's manual.
3. Remove the old springs carefully, taking note of their orientation and position.
4. Install the new springs from the Wolff kit, ensuring they are placed in the correct positions:
 - Ejector spring
 - Extractor spring
 - Hammer spring
 - Safety plunger spring
 - Sear spring
 - Magazine catch spring
 - Slide stop spring
 - Extra power recoil spring
5. Reassemble the firearm according to the manufacturer's manual.
6. Conduct a function check to ensure proper operation before using the firearm.

- **Usage Guidelines:** Regularly inspect the firearm and springs for wear and tear. Store your firearm in a safe and secure location when not in use. Always follow local laws and regulations regarding firearm usage.

Disposal Instructions

- Dispose of any old springs and components in accordance with local waste disposal regulations.
- Do not throw springs in regular trash; instead, consider recycling options if available.
- Ensure that all disposed materials are out of reach of children and pets.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the M1 Carbine TuneUp Spring Kit, please consult the manufacturer's website or contact your local firearms expert for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are of utmost importance.
